Please clearly print or type information on this form. Unless otherwise noted the cost of completing a degree audit is \$35

You may request a degree audit to:

1. identify the courses that have been transferred or applied to your current program of study,
2. identify courses you still need in order to complete your program, or,
3. have your official (or unofficial) transcripts from other schools evaluated to determine possible transfer of credit.

### Prospective, Current, or Former/Reactivating Student (Please choose only one)
