A LETTER FROM THE PRESIDENT

Welcome to Global University!

All of us here at Global are pleased to learn of your interest in advancing your training. We are delighted that you are seeking to prepare yourself for service in God’s harvest field. Our catalog provides information concerning who we are, our mission, history, policies and procedures, as well as our various plans of study. We trust you will identify a program of study to help you prepare for God’s call on your life. Feel free to contact us with any questions you may have.

A unique aspect of our program is the emphasis on applied learning and ministry through our service learning requirement (SLR). This requirement allows learners to move more rapidly from theory to practical application of what they are learning. In other words, learners benefit from the integration of academic rigor with practical application throughout their studies.

Global University is composed of four schools providing a seamless approach to study, ranging in academic level from certificates (initial evangelism and discipleship courses) through graduate degrees. The four schools are School for Evangelism and Discipleship, Berean School of the Bible (offering adult continuing education courses to equip people for church leadership), Undergraduate School of Bible and Theology (offering certificates and diplomas and associate of arts and bachelor of arts degrees), and Graduate School of Theology (offering master of arts, master of divinity, and doctor of ministry degrees). Catalogs for each school are available on our website at www.globaluniversity.edu.

Global University’s learners benefit not only from increased knowledge through studying course content but also from spiritual growth and increased discipline. Our instructional design helps them gain skills for a lifetime of learning, service, and ministry. Students and alumni fill positions of ministry as teachers, pastors, and missionaries. Others serve as local, district, and national church leaders. They actively work in both open and sensitive locations, fulfilling God’s call on their lives to impact eternity where they are and wherever God leads them.

When studying with Global University, you will not be studying alone. Instead, you will join students studying in literally every time zone of the world. We operate through a worldwide network of more than 230 offices serving 500,000 students. We are committed to equipping people for service in churches, schools, and other ministries. As you study, rest assured our extensive university stands ready to assist you in any way we can.

God bless!

A LETTER FROM THE PROVOST

Greetings from the International Office of Global University!

I enjoy the rich pleasure of serving as the Chief Academic Officer for the global programs of the university. During my time serving the university, I have come to appreciate both the diversity and the unity that exists within the Global University family. Every context presents unique challenges and brings opportunities to the task of teaching and learning. But as I meet our Global students and alumni, I am impressed with their commitment to excellence in ministry in all cultural situations. In these effective ministries and leaders, one sees the intersection of God’s call, their commitment, and a Global University education. The results are astounding: people are saved, churches are started, parachurch ministries are established, and bodies are healed. The Lord operates through thousands of men and women who have come through Global University’s programs.

Global University allows you to start wherever you are in your own educational journey and pursue a broad range of learning goals. Each of the four schools of Global University provide opportunity for growth as a follower of Christ and as a Christian leader. Do you want foundational instruction as a follower of Christ and a Christian leader in training? The School for Evangelism and Discipleship’s Christian Life and Christian Service series of courses would benefit you. Do you want to study Scripture for a ministerial career, a lay leadership role in your church, or your own spiritual enrichment? The Berean School of the Bible’s adult continuing education courses and programs will serve you well. Do you want an accredited undergraduate certificate, diploma, associate of arts degree, or bachelor of arts degree? Check out the programs offered by the Undergraduate School of Bible and Theology. Are you prepared for advanced studies? The Graduate School of Theology offers master of arts degrees, a master of divinity degree, and a doctor of ministry degree. Global is one university with four schools, so you will have a wide range of options from which to choose. And whichever program you select, you can be sure it will integrate faith and learning from a Pentecostal, evangelical perspective.

Our name—Global University—accurately describes us as a worldwide distance-learning school. Our regional accreditation with the Higher Learning Commission assures you of a quality education. As you enter studies with Global University, you join a student body in every time zone and nearly every country of the world. You can study where and when you want, at extremely affordable costs. You will have access to faculty through a variety of means, and our online library resources provide the opportunity to investigate a subject as deeply as you wish.

Welcome to the Global University community. We are students, faculty, staff, and administrators who are all involved in “impacting eternity by winning the lost and training the found—everywhere.”

May God’s favor be with you,

David L. De Garmo, DMin
Provost

GENERAL INFORMATION

Foreword
The population of the world is increasing at an unprecedented rate. There is an explosive increase in knowledge, and people are eager to learn. Global University has responded to this need by developing its own instructional tools.

By utilizing the tools of contemporary educational technology, Global University is expanding the resources of the church. Global University’s courses are applicable for distance-learning instruction, school classrooms, learning groups, and individual study.

Qualified writers from many nations write and develop the course materials that are then distributed around the world in many languages. This contributes to fulfilling Global University’s motto: Impacting eternity by winning the lost and training the found—everywhere!

History
Global University has a distinguished heritage spanning seven decades. Its rich history is a blending of the achievements of two distance-learning institutions. This dual foundation of experience adds academic strength to the entity created by the merger of ICI and Berean Universities.

The Assemblies of God Fellowship recognized that not everyone who desired ministerial preparation could attend a residential Bible training institution. Therefore, a distance-learning program for ministerial candidates was begun in 1947. This program developed into the Berean School of the Bible by 1958 and was headquartered in Springfield, Missouri.

In 1967, International Correspondence Institute (ICI) was founded under the auspices of the Division of Foreign Missions. This second distance-learning school was designed to provide evangelism, discipleship, and workers’ training courses as well as bachelor’s degrees to students all over the world. George M. Flattery, who first envisioned the school, was its founding president. Its offices moved from Missouri to Brussels, Belgium, in 1972 and remained there until 1991.

Both Berean School of the Bible and ICI grew rapidly, adding courses and programs to meet the growing needs of their students. Berean, which was utilizing courses developed by ICI for its degree programs, became Berean College in 1985 and Berean University in 1995. ICI moved from Brussels to Irving, Texas, in 1991 and became ICI University in 1993.

Both institutions remained faithful to their respective missions. Similarity in educational approach, mission, and services made a merger of the two institutions logical. Both universities were making significant advances in electronic delivery via the Internet and other technologies. Rather than duplicating costly delivery systems, a united university would result in better stewardship of technological and human resources. Thomas Trask, general superintendent of the Assemblies of God at that time, and L. John Bueno, executive director of World Missions at that time, agreed to initiate the merger that was completed in 2000.

Global University now has four schools: (1) School for Evangelism and Discipleship, (2) Berean School of the Bible, (3) Undergraduate School of Bible and Theology, and (4) Graduate School of Theology. All of these schools of Global University are truly global in outreach. Students at home and abroad enroll in all levels of study. Global University works closely with Assemblies of God World Missions, U. S. Missions, and other divisions of the General Council.

Global University continues to write new chapters of history as it impacts eternity by winning the lost and training the found—everywhere! This means using various media technologies through anointed courses, curricula, consultation, and cooperation, equipping people to be Christ’s disciples with the help of God to His glory and the expansion of His kingdom.

Mission of Global University
Global University is a Christian university in the Pentecostal tradition that:

- integrates education and service through a worldwide network for student support.
- provides access to ministerial training from adult continuing education to the graduate level.
- produces curricular materials in multiple languages.
- serves the local church and Christian community through evangelism, discipleship, and leadership training through nonresidential distributed learning methods.

Doctrinal Statement
The doctrinal position of Global University is expressed in the following statement of faith.

We believe:

- the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- there is only one true God, revealed in three persons: Father, Son, and Holy Spirit (commonly known as the Trinity) (Deuteronomy 6:4; Matthew 28:19).
- in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal, future return to this earth in power and glory to rule a thousand years (John 1:1).
• in the Blessed Hope—when Jesus raptures His Church prior to His return to earth (the second coming). At this future moment in time all believers who have died will rise from their graves and will meet the Lord in the air, and Christians who are alive will be caught up with them, to be with the Lord forever (Titus 2:13; 1 Thessalonians 4:17).

• every person can have restored fellowship with God through salvation (trusting Christ, through faith and repentance, to be our personal Savior) (John 14:6).

• regeneration by the Holy Spirit is absolutely essential for personal salvation due to the fall of man (Titus 3:5).

• in water baptism by immersion and Holy Communion (Matthew 28:19).

• divine healing of the sick is a privilege for Christians today and is provided for in Christ’s atonement (His sacrificial death on the cross for our sins) (1 Peter 2:24).

• the baptism in the Holy Spirit is a special experience following salvation that empowers believers for witnessing and effective service, just as it did in New Testament times (Acts 2:4).

• sanctification initially occurs at salvation and is not only a declaration that a believer is holy, but also a progressive lifelong process of separating from evil as believers continually draw closer to God and become more Christlike (Galatians 5:16–25).

• in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11–15).

• in the church, which is the body of Christ, and its mission to be the agency of God to evangelize the world, worship God, build the body of Christ, and demonstrate God’s love and compassion (Mark 16:15–16; 1 Corinthians 12:13; 1 Corinthians 14:2–3; Psalm 112:9).

• in a divinely called and scripturally ordained ministry for the fourfold mission of leading the church: reaching, planting, training, and serving.

University Faculty
Individuals who serve Global University as faculty are included in the following two categories:

Resident Faculty
Global University resident faculty are those academically qualified individuals serving at the Internetwork office whose activities consist primarily of writing, developing, and facilitating courses.

Adjunct Faculty

The SED courses and programs are designed for both individual study and study groups.

SED, a school of Global University, exists to:
- prayrfully function with vision to be a part of fulfilling the Great Commission of Jesus Christ.
- engage in an effective worldwide distribution method of evangelism, discipleship, and training materials.
- address the needs of the local church.
- produce effective products by designing and developing innovative and practical tools for learning and spiritual growth.

EVANGELISM

The goal of the evangelism program is to introduce Jesus Christ as the Savior for all people. Thousands of people report annually that they have accepted Jesus Christ as their personal Savior through the study of Global University evangelism courses.

E0100  The Great Questions of Life
Did you ever wonder what life is all about and what happens after death? This study is designed for people who want to know more about the nature of God and what is happening to the world.

E0200  Highlights in the Life of Christ
Follow the life and ministry of Jesus from His birth to His resurrection. This series of six lessons leads a person on a journey with Christ through the Scriptures, emphasizing key points and events of Christ’s life.

E0400  Challenge to Encounter
How can I know anything for sure? Can a person reject Jesus Christ without honestly considering His claims? Is there a God? This apologetic was written to engage university students by providing a basis for an intelligent encounter with Jesus Christ.

E0500  We Hear from the Prophets
A precursor to the Worldview Series, We Hear from the Prophets examines the lives of eight prophets. Careful study of the course and obedience to the words of the prophets help students know how to submit to God. This course has been used effectively to reach people of varying beliefs.

E0600  God Loves You
Study along with boys and girls in many countries, learning about great men and women who lived long ago. You can also learn more about who God is! God loved the people you will read about. He did many wonderful things for them. You will see how God loves you too and does wonderful things for you.

WORLDVIEW SERIES

The Worldview Series is written for those seeking answers about God, based on different worldviews.

E1001  Is Jesus God?
If the testimonies of the world’s great leaders and schools about Jesus are correct, He is the most unique person to ever live in this world. This apologetic is designed to provide atheists and agnostics with solid evidence for Jesus’ divinity and to lead to them to faith in Christ.

E1005  I Am God
New Age thinking is popular in American and European societies. This booklet discusses the main tenets of New Age belief and challenges proponents to put their beliefs to the test.

E1008  Absolutes or Not
We live in a postmodern era in which long-held assumptions, traditions, systems, and beliefs are challenged. This booklet helps postmodern thinkers evaluate the ramifications of their worldview.
The discipleship courses are designed to personally engage new believers in how to grow in their relationship with Christ and fellow Christians, and to practice reaching others with the gospel. There are two series developed for discipleship: The 21st Century Discipleship Series, created as a devotional, and the Christian Life Series, designed to equip believers to reach their communities with the gospel and to prepare for further studies in Christian Service.

21st Century Discipleship Series
The 21st Century Discipleship Series is best used as a supplement to the Christian Life Series. Lessons can be chosen to enhance any discipleship study.

- This series consists of three books with thirteen lessons each. New believers who study one lesson per week will finish the entire course in just thirty-nine weeks.
- Each lesson is written by an experienced pastor, missionary, or Christian leader.
- All lessons are Bible-based and practical and will expose new Christians to the truths they need to know for spiritual maturity and growth.
- Every lesson provides key Scripture verses to learn and a helpful self-test so new Christians can evaluate their comprehension of the material.
- The lessons will bless new Christians with the joy and adventure of discipleship.

The 21st Century Discipleship Series may be studied individually or in a study group setting. For more information on starting a 21st Century Discipleship study group, call the School for Evangelism and Discipleship at 1-800-443-1083.
