A LETTER FROM THE PRESIDENT

Welcome to Global University!
All of us here at Global are pleased to learn of your interest in our school. We are delighted that you are seeking to prepare yourself for service in God’s harvest field. Our catalog provides information concerning who we are, our mission, history, and policies and procedures, as well as our various plans of study. We trust you will identify a program of study to help you prepare for God’s call on your life.

A unique aspect of our program is the emphasis on applied learning and ministry through our Service Learning Requirement (SLR). This requirement allows learners to move more rapidly from theory to practical application of what they are learning. In other words, learners benefit from the integration of academic rigor with practical application throughout their studies.

Global University is comprised of four schools providing a seamless approach to study, ranging in academic level from certificates (initial evangelism and discipleship courses) through graduate degrees. The four schools are School for Evangelism and Discipleship, Berean School of the Bible (offering adult continuing education courses to equip people for church leadership), Undergraduate School of Bible and Theology (offering associate and bachelor degrees), and Graduate School of Theology (offering master of arts, master of divinity, and doctor of ministry degrees). Catalogs for each school are available on our website at www.globaluniversity.edu.

Global University’s learners benefit not only from increased knowledge through studying course content, but also from spiritual growth and increased discipline. Our instructional design helps them gain skills for a lifetime of learning, service, and ministry. Students and alumni fill positions of ministry as teachers, pastors, and missionaries. Others serve as local, district, and national church leaders. They actively work in both open and sensitive locations, fulfilling God’s call on their lives to impact eternity where they are and wherever God leads them.

Should you enroll and study with Global University, you will not be studying alone. Instead, you will join students studying in literally every time zone of the world. We operate through a worldwide network of 232 offices serving over 300,000 students. We are committed to equipping people for service in churches, schools, and other ministries. As you study, rest assured our extensive university stands ready to assist you in any way we can.

God bless!

Gary L. Seevers Jr., PhD
President
A LETTER FROM THE PROVOST

What an honor it is to serve as the Provost of Global University. As I travel the world and meet our students and alumni, I am impressed with their commitment to excellence in ministry. Many serve in pastoral positions, and many serve in lay positions in local churches. The common thread is that Global courses and programs prepared them well to carry out God’s call on their lives. As I observe students and alumni during my visits, I see the intersection of God’s call, their commitment, and a Global University education. The results are that many thousands accept Christ when they hear our students preach the gospel; thousands of churches are planted; and schools and other church-related organizations are established to minister in their local contexts.

Global University allows you to start wherever you are in your personal educational journey and pursue a broad range of goals. Berean School of the Bible’s institute-level studies are excellent for personal enrichment or for training for ministers and church leaders. The Undergraduate School of Bible and Theology offers certificates, diplomas, and baccalaureate degrees. Studies with the Graduate School of Theology lead to master of arts (in several concentrations), master of divinity, and doctor of ministry degrees. Whichever program you study, you can be sure it will integrate faith and learning from a Pentecostal evangelical perspective.

Our name—Global University—accurately describes us as a worldwide distance learning school. You are joining a student body that represents every time zone and every inhabited continent. With Global University, you can study when and where you want to, and you can have access to online library resources to give you the opportunity to investigate a subject more deeply.

Welcome to the Global University family. We are students, faculty, staff, and administration who are all involved in “impacting eternity by winning the lost and training the found—everywhere.”

Sincerely,

John G. (Jack) Nill, PhD
Provost
Foreword
The population of the world is increasing at an unprecedented rate. There is an explosive increase in knowledge, and people are eager to learn. Global University has responded to this need by developing its own instructional tools in print, audio, video, CD-ROM, and online delivery formats that take the school to the student.

By utilizing the tools of contemporary educational technology, Global University is expanding the resources of the church. Global University’s courses are applicable for distance education instruction, school classrooms, learning groups, and individual study.

Qualified writers from many nations write and develop the course materials that are then distributed around the world in many languages. This contributes to fulfilling Global University’s motto: Impacting eternity by winning the lost and training the found—everywhere!

History
Global University has a distinguished heritage spanning almost six decades. Its rich history is a blending of the achievements of two distance education institutions. This dual foundation of experience adds academic strength to the entity created by the merger of ICI and Berean Universities.

The Assemblies of God Fellowship recognized that not everyone who desired ministerial preparation could attend a residential Bible training institution. Therefore a distance education program for ministerial candidates was begun in 1947. This program developed into the Berean School of the Bible by 1958 and was headquartered in Springfield, Missouri.

In 1967, International Correspondence Institute (ICI) was founded under the auspices of the Division of Foreign Missions. This second distance education school was designed to provide evangelism, discipleship, and workers’ training courses as well as bachelor’s degrees to students all over the world. George M. Flattery, who first envisioned the school, was its founding president. Its offices moved from Missouri to Brussels, Belgium, in 1972 and remained there until 1991.

Both Berean School of the Bible and ICI grew rapidly, adding courses and programs to meet the growing needs of their students. Berean, which was utilizing courses developed by ICI for its degree programs, became Berean College in 1985 and Berean University in 1995. ICI moved from Brussels to Irving, Texas, in 1991 and became ICI University in 1993.

Both institutions remained faithful to their respective missions. Similarity in educational approach, mission, and services made a merger of the two institutions logical. Both universities were making significant advances in electronic delivery via the Internet and other technologies. Rather than duplicating costly delivery systems, a united university would result in better stewardship of technological and human resources. Thomas Trask, General Superintendent of the Assemblies of God at that time, and L. John Bueno, Executive Director of World Missions at that time, agreed to initiate the merger.

Global University now has four schools: (1) School for Evangelism and Discipleship, (2) Berean School of the Bible, (3) Undergraduate School of Bible and Theology, and (4) Graduate School of Theology. All of these schools of Global University are truly global in outreach. Students at home and abroad enroll in all levels of study. Global University works closely with Assemblies of God World Missions, US Missions, and other divisions of the General Council.

Global University continues to write new chapters of history as it impacts eternity by winning the lost and training the found—everywhere! This means using various media technologies through anointed courses, curricula, consultation, and cooperation, equipping people to be Christ’s disciples with the help of God to His glory and the expansion of His kingdom.

Mission of Global University
Global University is a Christian university in the Pentecostal tradition that:

- integrates education and service through a worldwide network for student support.
- provides access to ministerial training from adult continuing education to the graduate level.
- produces curricular materials in multiple languages.
- serves the local church and Christian community through evangelism, discipleship, and leadership training through nonresidential distributed learning methods.

Doctrinal Statement
The doctrinal position of Global University is expressed in the following statement of faith.

We believe:

- the Bible is the inspired and only infallible and authoritative written Word of God (2 Timothy 3:16).
- there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit (Deuteronomy 6:4; Matthew 28:19).
- in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His
personal, future return to this earth in power and glory to rule a thousand years (John 1:1).

- in the blessed hope—the rapture of the Church at Christ's coming (Titus 2:13).
- the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ (John 14:6).
- regeneration by the Holy Spirit is absolutely essential for personal salvation (Titus 3:5).
- in water baptism by immersion (Matthew 28:19).
- the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer (1 Peter 2:24).
- the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
- in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life (Galatians 5:16–25).
- in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation (Revelation 20:11–15).

Nondegree Programs
For further information concerning nondegree programs and the languages in which they are available, please contact your enrollment office, the International Office of Global University, or visit our website at www.globaluniversity.edu.

School for Evangelism and Discipleship
Evangelism courses present a basic understanding of the gospel for those seeking to know the saving truths of God’s Word. These courses are available for children and adults. Discipleship courses help new believers explore foundational topics of Christian living, including prayer, Bible study, and worship. These courses also provide an in-depth approach to Bible study and application through teaching, spiritual gifts, witnessing, discipleship, and other important topics.

Berean School of the Bible
Berean School of the Bible (BSB) offers adult continuing education programs of study. The courses offered within BSB’s Ministerial Studies diploma program satisfy educational requirements for Assemblies of God ministerial credentials (approved by the General Presbytery of the Assemblies of God, USA) and provide enrichment learning for lay leaders.

Degree Programs
Global University’s degree programs are provided by the Undergraduate School of Bible and Theology and the Graduate School of Theology. Together, these schools offer a wide range of specific programs: certificates and diplomas, Associate of Arts, Master of Arts, Master of Divinity, and Doctor of Ministry. For further information concerning the degree programs, please contact your director, the International Office of Global University, or visit the University's website at www.globaluniversity.edu.

Undergraduate School of Bible and Theology
The programs of the Undergraduate School of Bible and Theology are designed for ministers, ministerial students, and laypersons who seriously desire a biblical education. The degree programs are open to all with a high school diploma or its equivalent. Advanced academic placement through transfer of credit is possible for those with previous undergraduate training.

General Education: Curricular Philosophy and Objectives
Global University’s curriculum gives students the learning experiences that lead not only to depth of knowledge and skill in the major area of study but also to a complementary breadth of learning. Consequently, the Institution designs every degree program to require the student to complete three components: (1) a comprehensive Bible and theology core, (2) a selected major, and (3) a broad general education core. The Bible and theology core provides a basic biblical education for all students. The selected major allows students to prepare themselves according to their individual interests, abilities, and sense of calling. The general education core helps students understand the contemporary world and how to relate to it.

Global University values general education as a foundational, broad-based educational complement to the professional, theological training component. The University recognizes that an understanding of one’s own and other cultures and an ability to relate both interculturally and cross-culturally in the contemporary world are crucial to effective ministry. The general education program prepares students for such ministry by facilitating their enculturation into the global context in which they live and serve and by helping them to understand and appreciate the individual within a complex and culturally diverse world.

The learning experiences offered by the Global University general education program allow students to prepare themselves according to their individual interests and sense of calling, to integrate breadth of learning with the Christian worldview across many disciplines, to develop communication and critical thinking skills, and to cultivate a desire for disciplined personal growth and lifelong learning.

General Education: Content Areas
General education courses at Global University are divided into four broad areas: Humanities and Fine Arts, including history, culture, and philosophy; Language and Communication Arts; Natural Sciences and Mathematics, including the health sciences and technology; and Social and Behavioral Sciences, including education, sociology, and psychology.
General Education: Broad Program Goals

Global University’s faculty believes the general education program should enable students to achieve the following goals:

- Demonstrate mastery of mathematical and quantitative skills necessary for everyday life.
- Use information technology effectively.
- Demonstrate effective written and oral communication skills.
- Describe the historical, sociological, and cultural influences and contexts of the world.
- Demonstrate the ability to derive conclusions from complex information (thereby showing the ability to think critically and analytically).
- Differentiate among the various humanities and artistic expressions of diverse cultures.
- Describe the natural and physical world in which we live.
- Practice the pursuit, evaluation, and application of knowledge throughout life.
- Compare and contrast one’s own worldview with the worldviews of others.

Global University offers more than thirty courses in the various areas of general education. Additional courses are being added each year. Students are required to study specific courses in each area and are able to choose other courses as electives. This selection of general education courses exposes the student to the disciplines deemed necessary for professional and social interaction. Thus, a practical need drives the general education requirement.

This general education component demonstrates breadth and coherence through variety and promotes critical thinking and creativity through its system of formative and summative evaluation, course projects, collateral reading assignments, and service learning requirements. The Institution recognizes the importance of the general education content areas to the development of historical perspective, communication, critical thinking, and quantitative reasoning skills necessary to life in a global society.

Assessment of Achievement

The Global University evaluation system is based on the ideals of mastery learning, objective-based course content, formative and summative evaluation, and criterion-referenced testing. Each course presents the student with broad goals and specific objectives. An instructional design guides the learning process. Formative evaluation takes place throughout the course, and a summative evaluation is its capstone.

Thus, the student is given the opportunity to demonstrate that he or she obtained the requisite learning and skills. This is accomplished through valid and reliable evaluation, the completion of projects, the reading of collateral literature, and various forms of written responses requiring the demonstration of analytical ability, critical thinking, evaluation skills, and clarity of communication in written form. Thus, in addition to specific course outcomes, the objectives of creativity and critical thinking pervade curricular patterns. This integrated approach overarches the curriculum.

Graduate School of Theology

The mission of the Graduate School of Theology is to provide advanced, in-depth, specialized study of the Bible and related subjects at the postbachelor’s degree level. Its purpose is to equip students for individual research, personal scholarship, and practical application. The Graduate School of Theology offers postbaccalaureate degrees and certificates through an individually structured, distance education format using mentors and printed and electronic materials to guide students in study and research.

The degrees offered are a Master of Arts in Biblical Studies, a Master of Arts in Ministerial Studies, a Master of Divinity, a Doctor of Ministry—Biblical Studies and Theology, and a Doctor of Ministry—Church Ministries. Graduate Studies Certificates are offered in New Testament Studies, Education, Intercultural Studies, and Leadership. The Master of Divinity degree is recognized and accepted as chaplaincy training for the US military. Those interested in a military chaplaincy career should contact the Dean of the Graduate School at 800.443.1083. For more information about specific graduate (postbaccalaureate) programs, request a Global University Graduate Studies catalog from your enrollment office or the International Office of Global University, or visit www.globaluniversity.edu.

Resident Faculty

Global University resident faculty are those academically qualified individuals serving at the International Office whose activities consist primarily of writing, developing, and facilitating courses.

Adjunct Faculty

Adjunct faculty are academically qualified individuals throughout the Global University network who periodically write, facilitate, and evaluate Global University courses in field settings or serve as tutors for students studying independently with the University. Most authors of the degree programs hold doctorates in their fields, while all hold at least a master’s degree. In addition, these content experts have had years of practical experience as pastors, teachers, church leaders, or school administrators. As subject matter experts, they contribute their knowledge, experience, and expertise to the development of instructional programs that meet the needs of ministerial students. Global University invites outstanding experts from many fields to serve on its faculty. These academically, spiritually, and experientially qualified teachers come from institutions of higher learning and other places of ministry all over the world.

UNIVERSITY STANDARDS

Basic Standards of Academic Integrity

Registration at Global University requires adherence to the university’s standards of academic integrity. Many of these standards may be intuitively understood and cannot in any case be listed exhaustively; the following examples represent some basic types of behavior that are unacceptable:

1. Cheating: (a) using unauthorized notes, aids, or information when taking an examination; (b) submitting work done by someone else as your own; (c) copying or paraphrasing someone else's essays, projects, or other work and submitting it as your own.

2. Plagiarizing: submitting someone else's work and claiming it as your own or neglecting to give appropriate documentation when using any kind of reference materials. Plagiarism, whether purposeful or unintentional, includes copying or paraphrasing materials from the study guide, textbook, someone else's writing, or any other source (published or unpublished). Any words, thoughts, or ideas taken from any other source must be properly documented according to the Global University Undergraduate Form and Style Guide.

3. Fabricating: falsifying or inventing any information, data, or citation.

4. Obtaining an unfair advantage: (a) stealing, reproducing, circulating, or otherwise gaining access to examination materials prior to the time authorized by the instructor or examination supervisor; (b) unauthorized collaborating on an academic assignment; (c) retaining, possessing, using, or circulating previously given examination materials where those materials clearly indicate they are to be returned to the examination supervisor or to the Global University offices at the conclusion of the examination.

Disciplinary action for not maintaining basic standards of academic integrity may range from lowering a grade for a paper to dismissal from the program, depending on the severity of the offense.

Code of Conduct

Global University is a Christian educational institution aiming to, among other things, equip men and women to fulfill God’s calling on their lives. Christian conduct is therefore an expected norm. While Global University reaches many cultures around the world, it is understood that some practices acceptable in one culture may not be acceptable in another.

As Christians we look to the Scripture to guide our conduct. Therefore, students are expected to conduct themselves according to biblical principles of behavior. Examples of such principles are found in Romans 12:9–21; Galatians 5:22–23; and Ephesians 4:1–3, 25–32. The Code of Conduct also applies to verbal and written communication with Global University representatives, faculty, staff, and students. Furthermore, it extends to all electronic communication, including threaded discussions and e-mail with faculty and students.

Violation of the Code of Conduct may result in disciplinary action, including dismissal from the program.

Due Process of Student Rights

In all cases involving academic dishonesty, the student charged or suspected shall, at a minimum, be accorded the following rights:

1. Prompt investigation of all charges of academic dishonesty, to be conducted, insofar as possible, in a manner that prevents public disclosure of the student’s identity. Such investigation may include informal review and discussion with an official of the school prior to bringing a charge, provided that such review does not compromise the rights of the student in the formal process.

2. Reasonable written notice of the facts and evidence underlying the charge of academic dishonesty and of the principle(s) of academic integrity said to have been violated.

3. Reasonable written notice of the procedure by which the accuracy of the charge will be determined.

4. Reasonable time, if requested, within which to prepare a response to the charge.

5. A hearing or meeting at which the student involved may be heard and the accuracy of the charge determined by a neutral decision maker.

6. Review of any adverse initial determination, if requested, by an appeals committee to whom the student has access in person. Generally, implementation of sanctions will be suspended until all appeals made by the student have been exhausted.

7. Final review of an unsuccessful appeal, if requested, by the president or an advisory committee designated by the president.

Tracking and Addressing Student Complaints

Global University takes complaints and grievances seriously. The Department of Student Services, of GU’s Academic Affairs office, maintains and monitors a complaint or grievance file. The complaints received usually belong in two general categories: (1) the course content or (2) the course delivery and support system.
• Complaints relating to course content are referred to the University Materials Development (UMD) department and to the Professor of Record (POR) for the course. A student representative will then contact the student with an answer to the student’s question(s) or with a solution to the student’s problem.

• Complaints relating to the delivery and support system are handled through the Student Services department. A student representative will contact the student to resolve the difficulty. In some cases, this leads to the establishment of new policies or procedures to improve the delivery system for all students.

In more difficult or complex situations, especially those involving problems spanning more than one department, the complaint is referred to the Provost. As necessary, the Academic Affairs Committee will also become involved to resolve student complaints in a timely and satisfactory manner.

A student can file a grievance with Global University by choosing any one of the following three contacts:

1. A student may contact a Global University faculty member or national office staff member by e-mail, phone, fax, post / mail, or in person. Often, problems are easily resolved at this level.

2. A student may contact the Student Services department of Global University by e-mail, phone, fax, post / mail, or in person. Student Services personnel are trained to resolve student concerns.

3. A student may contact any administrator of Global University by e-mail, phone, fax, post / mail, or in person. In these cases, the matter typically will require a period of investigation in order to be resolved.

Once a concern, complaint, or grievance is received, every effort will be made to resolve the issue personably and quickly. Should a student not be satisfied with the resolution, the student can appeal the decision to the International Office of Global University and directly to the Provost’s Office. Should a student not be satisfied with the resolution, the student can contact the Provost’s Office and request that the issue be addressed by the Global University Academic Affairs Committee. The decision of the Academic Affairs Committee will be deemed final.

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. These rights include:

1. The right to inspect and review education records within 45 days of the day Global University receives a request for access. Students should submit to the registrar a written request that identifies the record(s) they wish to inspect. The registrar will make arrangements for access and notify students of the time and place the records may be inspected. In place of inspecting the record(s), students may request that records be copied and mailed to them. In this case, students will pay postal costs and a copy fee of 15 cents (United States currency) per page.

2. The right to request the amendment of education records students believe are inaccurate or misleading. Students may ask the university to amend a record they believe is inaccurate or misleading. They should write to the registrar, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested, the university will notify students of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to students when they are notified of the right to a hearing.

3. The right to request in writing that certain directory information only be disclosed with the student’s written consent. Unless otherwise requested, directory information such as the student’s name, mailing address, e-mail address, phone number, dates of attendance, enrollment status, graduation status, and other institutions attended may be released without written consent. Non-directory information such as student ID number, social security number, date of birth, and grades may only be released with the student’s written consent except where FERPA authorizes disclosure without consent. Exceptions include disclosure to federal, state, and local authorities as well as school officials with legitimate educational interest. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support staff position; a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

The student has the right to file a complaint with the US Department of Education concerning alleged failures by Global University to comply with the requirements of FERPA. The name and address of the office that administers FERPA are listed below:

INSTRUCTIONAL TECHNOLOGY AND RESOURCES

Global University’s Information Technology and Media Division provides delivery of the university’s evangelism, discipleship, and educational programs through the use of the Internet, CD-ROM, and other electronic media.

Internet Courses
Global University offers several methods and levels of Internet study to meet its students’ needs. Internet-based courses provide an interactive, online learning environment with access to additional learning resources. Independent study allows students to progress through courses at their own pace. Students may be involved in threaded discussions and other forms of collaborative learning experiences.

All undergraduate-level assignments, with the exception of the final examination, may be submitted online. Graduate courses may be completed through Internet-based interaction with a graduate mentor.

In addition to degree-level study, evangelism and discipleship courses are offered online utilizing a variety of technologies. Visit www.globalreach.org to view online evangelism and discipleship courses. In the United States, students may also take online courses to fulfill the educational requirements for certified, licensed, or ordained minister’s credentials with The General Council of the Assemblies of God (USA) through Berean School of the Bible, undergraduate courses or programs, and graduate programs.

For further information about Internet options, visit Global University online at www.globaluniversity.edu.

Library Resources
The Global University Library, located within GU’s International Headquarters in Springfield, Missouri, is a collection of both print and electronic resources that support the curriculum of the programs offered by the university. The library, which may be utilized for general research, is comprised of more than 25,000 volumes, including books, reference materials, periodicals, maps, microfiche, audio and video materials, and vertical files.

The Global University Library provides valuable online resources such as CREDO Reference, Encyclopedia Britannica Online Academic Edition, Academic Search Elite, and American Theological Association (ATLA) databases. These resources provide GU’s undergraduate and graduate students access to thousands of peer-reviewed journals, as well as general reference resources.

You may access these resources via the Global University Library website at www.library.globaluniversity.edu. Online chat and e-mail “Ask-A-Librarian” features enable you to direct your research questions to a Global University reference librarian. Through technology, Global University is continually expanding its online information services to support and enhance the distance-learning experience for its students.

FINANCIAL INFORMATION

Financial Assistance
A goal of Global University is to provide instructional programs at the lowest possible cost. Pricing information is available from the Global University director in your area or from the International Office in Springfield, Missouri. If you are working with a director, all fees are paid to your director. If you are not working with a director, fees are paid to the International Office.

US Veterans Benefits
Global University has been approved by the agency for US veterans benefits. This approval is for the independent-study courses leading to an associate of arts degree, a bachelor of arts degree, a master of arts degree, or a master of divinity degree. Tuition, materials, and shipping and handling are paid by the veteran upon enrollment. Reimbursement of qualified expenses is made through the Veterans Administration (VA) following certification from Global University’s VA enrollment office. Veterans who are interested in this tuition assistance should request information from Global University’s VA enrollment office in Springfield, Missouri.

US Defense Activity for Non-Traditional Education Support (DANTES)/Tuition Assistance (TA)
The courses offered by Global University are included in the DANTES catalog listing Distance Education and Training Council Schools that qualify for Defense Activity for Non-Traditional Education Support (DANTES). Approval for this listing makes it possible for those active in any branch of the US military to receive tuition assistance for degree programs offered by Global University. To begin studying under this plan, military personnel must obtain a voucher from their military education office. This voucher must be completed and submitted to the Global University VA enrollment office. Global University’s application and enrollment forms must
also be completed. The application fee must be submitted with the student's application.

Educational benefit payments may be used for the cost of tuition. Students using DANTES / TA are responsible at the time of enrollment for the application fee, materials cost, shipping and handling, and any tuition amount not covered by tuition assistance. Students who desire to use DANTES / TA benefits must enroll through Global University’s International Office in Springfield, Missouri.

**Policy on Incomplete Courses Funded by VA or DANTES/TA**

The time limit to complete a degree-level course is six months. If a student does not complete a course within six months, the student may request an additional six months to complete the course. (See “Time Limit for Completing a Course” in the section titled “Course Guidelines and Requirements.”) Should a student fail to complete a VA- or DANTES / TA-funded course, a failing grade of 50 percent will be assigned to the student's course grade. This grade will be calculated into the cumulative grade average that appears on the student's transcript. Reporting this grade to the Veterans Administration is required for VA students using GI Bill benefits.

**Availability of Financial Reports**

Global University makes available summaries from the annual financial reports as prepared by the University’s external auditor to prospective students, alumni, and the public at large. These summaries may be obtained by contacting Global University’s Chief Financial Officer.

**Undergraduate Academic and Special Fees**

Because of the variety of components, the charges to students for Global University courses are divided into three categories:

1. The cost of textbooks. This cost varies from course to course. Textbooks may be obtained from your enrollment office.
2. The cost of the Independent-Study Textbook / Study Guide and Student Packet. An Independent-Study Textbook / Study Guide and Student Packet are designed for each course. These can be purchased through your enrollment office.
3. The academic fee. The academic or tuition fee will be paid to the enrollment office when a course is taken. This is the charge for instruction or instructional services.

**Cancellation and Refund Policy**

Global University strives to develop instructional materials and programs that will be completely satisfactory to the students who enroll with us. However, if it is necessary for you to discontinue studying a Global University course, the following refund policy will apply:

1. You may cancel your enrollment within five (5) business days after midnight of the day on which you signed the enrollment agreement (Subject Enrollment Card or order form). If you cancel your enrollment during this time, you will be given a complete refund of all money paid, excluding shipping and handling fees.
2. From five (5) business days after midnight of the day on which you signed the SEC or order form and until nine (9) months from the day on which you signed the SEC or order form, Global University will retain a registration fee (converted to local currency) of $75 or 20 percent of the total paid, whichever is greater. You may withdraw from the course as long as the course status is “In Progress.”
3. If you request cancellation after two (2) months of your dated SEC or order form, Global University shall be entitled to the registration fee plus a percentage of the total cost of the course. The percentage will be calculated as follows:

   The registration fee will be deducted from the total cost of the course. Then, in addition to the registration fee, Global University will retain a percentage of any amount that remains. The percentage retained will depend on how much of the course you have completed. Therefore:

   a) Up to and including the completion of the first 10 percent of the course, the student will be refunded 90 percent of any remainder.
   b) If only one (1) written assignment for a three-credit course (between 10 percent and 25 percent of the course requirements) has been submitted, the student will be refunded 75 percent of the remainder.
   c) If one (1) assignment for a two-credit course or two (2) assignments for a three-credit course (between 25 percent and 50 percent of the course) have been submitted, the student will be refunded 50 percent of the remainder.
   d) If more than one (1) assignment for a two-credit course and more than two (2) assignments for a three-credit course (more than 50 percent of the course) have been submitted, GU shall be entitled to the full cost of the course.
4. If you request cancellation after nine (9) months, no refunds will be given. You may withdraw from the course as long as the course status is “In Progress.”
5. Refunds will be given only on material.

A LETTER FROM THE DEAN

We welcome you to the family and student body of Global University. It is our desire to assist you in being equipped with the knowledge necessary for faithful service in the worldwide church of the Lord Jesus Christ. All of our courses are based upon the Word of God and God’s mission, our *mission Dei* to reach and train the lost everywhere.

Global University reaches around the world in numerous languages. Most of our students are already engaged in evangelism, preaching, teaching, and other missionary activities. Our goal is to provide training that will enhance these ministries. This is the reason that engages authors of courses who have a depth of experience and high academic qualifications. Great care is given in the selection of the courses for our curricula. We also endeavor to write from a cross-cultural perspective.

The Undergraduate School of Bible and Theology offers degree programs in Bible and Theology, Christian Education, and Intercultural Studies. We also offer a minor in pastoral counseling. For qualified students living outside the United States and Canada, the school offers a three-year (96-credit) bachelor’s degree program in the nations where such a program is acceptable.

Our faculty and staff are ready to assist you by mail, Internet, or telephone. Each faculty member has been carefully and prayerfully chosen, not only for his or her academic training and ministerial experience, but also for sensitivity to the Holy Spirit. Many faculty members have served in ministry positions in different nations of the world.

We invite you to be a part of our Global University family!

Sincerely,

Willard Teague, DMin
Dean
Undergraduate School of Bible and Theology
OBJECTIVES AND DESIGN

Global University academic programs are provided by the Undergraduate School of Bible and Theology and the Graduate School of Theology. These schools make available a wide range of specific programs: certificates and diplomas as well as associate of arts, bachelor of arts, master of arts, and master of divinity degrees. For more information about the graduate degree programs, see the current Graduate Studies catalog.

The programs of the Undergraduate School of Bible and Theology are designed for ministers, ministerial students, and laypersons who are serious in their desire for a biblical education. The degree programs are open to all with a high school diploma or its equivalent. For those with previous undergraduate training, advanced academic placement through transfer of credit is possible.

Degree Programs

An undergraduate program of study requires that a minimum of 32 credits be earned through the completion of Global University courses. Students wishing to earn more than one undergraduate degree through Global University must complete an additional 32 credits for each program of study. For example, after completing one of the University's associate of arts programs, students wishing to continue their studies to earn a BA must complete an additional 32 credits through enrollment in Global University courses.

The overarching goals for the degree programs include demonstrated achievement in the following areas. After successfully completing a degree program, the student will:

- Demonstrate a comprehensive knowledge of the Old and New Testaments.
- Demonstrate a comprehensive knowledge of the theological principles that serve as a foundation of Pentecostal Christian faith.
- Develop and demonstrate written and oral communication skills.
- Apply relevant biblical and theological principles in local ministry contexts.
- Exhibit an awareness and appreciation of the various areas of general education: humanities; fine arts; social, behavioral, and natural sciences; mathematics; oral and written communication; and computer skills.
- Continue the appreciation and practice of lifelong learning.
- Participate effectively in Christian ministry.

The strategies used to assess the achievement of these goals include end-of-course examinations, service learning requirements (SLRs), collateral reading or writing assignments (CRAs / CWAs), course-specific projects, and graduate follow-up surveys.

Bachelor of Arts Degree

The bachelor of arts (BA) degree program is a 128-credit program requiring a minimum of 32 credits earned through Global University, 15 of which must be in the student’s major.

Global University presently offers three bachelor of arts degree programs: Bible and Theology, Christian Education, and Intercultural Studies. The BA in Bible and Theology is designed to provide the educational background needed by those preparing for a pastoral or preaching ministry. The BA in Christian Education will prepare those expecting to minister in church-related instruction or in the administration of Christian education. The BA in Intercultural Studies is designed for those who plan to serve as missionaries. It has a basic Bible and theology component with emphasis in cross-cultural communications and Christian missions.

Three-Year Bachelor of Arts Degree

(For students in a qualifying international educational system)

The three-year bachelor of arts (BA) degree program requires 96 credits with a minimum of 32 credits earned through Global University.

Global University offers three 3-year bachelor of arts degree programs for students outside the North American educational system who have graduated from a qualifying international educational system that endorses the three-year bachelor’s degree program. The three-year BA programs are in Bible and Theology, Christian Education, and Intercultural Studies. (For more information, turn to the section on “Three-Year Bachelor of Arts Degrees” under “Undergraduate Programs of Study.”)

This degree provides the educational background needed by those preparing for a pastoral, preaching, missions, or Christian teaching ministry. The student should contact his or her national office to find out if the three-year program is offered in the student’s country.

Earning a Second Bachelor of Arts Degree

Individuals residing either inside or outside the United States who have already earned a bachelor’s degree (for example, BA, BS, and so on) may earn a second BA in Bible and Theology, Intercultural Studies, or Christian Education with Global University. To do this, the student must fulfill the specific requirements for the major, which encompasses 50 credits in the Bible, theology, and church ministries areas. Students with prior academic study in Bible, theology, or church ministries may be granted advanced standing, depending on the transfer credit allowed. However, a minimum of 32 additional degree credits must be taken with Global University to earn a second BA.
Diploma Programs
The program goals for diploma programs reflect the purposes and requirements of programs that are not designed to lead to a degree. After successfully completing a diploma program, the student will:

- Demonstrate a requisite knowledge of the Old and New Testaments.
- Demonstrate a requisite knowledge of the theological principles that serve as a foundation of Pentecostal Christian faith.
- Develop and demonstrate written and oral communication skills.
- Apply relevant biblical and theological principles in local ministry contexts.
- Continue the appreciation and practice of lifelong learning.
- Participate effectively in Christian ministry.

The strategies used to assess the achievement of these goals are end-of-course examinations, service learning requirements (SLRs), collateral reading or writing assignments (CRAs / CWAs), and course-specific projects.

Global University offers two diplomas. The 64-credit Diploma in Ministry is specifically designed for individuals desiring a basic Bible program in preparation for ministry. This diploma is ideal for those who seek only two years of training and are not planning to continue toward a BA degree. The second diploma is the 96-credit Diploma in Bible and Theology. This is a three-year diploma providing a broader base in Bible and theology. If the student wishes to continue from this diploma to a BA, he or she should carefully select the elective courses to match the BA degree desired.

Individuals studying to fulfill educational requirements for ministerial credentials should refer to the Assemblies of God credentialing information listed in the BA and Second BA sections under "Undergraduate Degree Programs of Study." Global University does not credential ministers.

Certificate Programs
The program goals for certificate programs reflect the purposes and requirements of programs that are not designed to lead to a degree. After successfully completing a certificate program, the student will:

- Demonstrate a requisite knowledge of the Old and New Testaments.
- Demonstrate a requisite knowledge of the theological principles that serve as a foundation of Pentecostal Christian faith.
- Develop and demonstrate written and oral communication skills.
- Apply relevant biblical and theological principles in local ministry contexts.
- Continue the appreciation and practice of lifelong learning.
- Participate effectively in Christian ministry.

The strategies used to assess the achievement of these goals are end-of-course examinations, service learning requirements (SLRs), collateral reading or writing assignments (CRAs / CWAs), and course-specific projects, if applicable.

Certificate in Bible and Theology
This certificate is designed for those who desire to study in the various schools of Global University but do not wish to study for a degree. However, all of the credits earned for this certificate can be transferred to a degree program.

Undergraduate Certificates
Students desiring an intermediate goal may work toward the completion of one or more undergraduate certificates. Each undergraduate certificate provides studies in a specific area of Bible, theology, or church ministries. An undergraduate certificate is also available in general studies. Undergraduate certificate studies are an excellent way to acquire academic preparation in a particular subject-matter concentration. For a description of the course requirements for each undergraduate certificate, see "Undergraduate Degree Programs of Study."

Associate of Arts Degree
The associate of arts (AA) degree may be earned by students who complete 66 credits and meet the stated program requirements. A minimum of 32 credits must be earned through Global University courses. This program provides an introduction to the knowledge and skills required for ministry. This degree also represents the halfway point for those wishing to continue studying toward a BA degree.

Students Currently Enrolled
Active students who started their degree studies with Berean University or ICI University prior to the schools’ merger or with Global University prior to the issuance of this catalog may continue to follow the program requirements under which they enrolled. However, they may elect to modify their programs to meet the requirements of the Global University concentrations listed in this catalog. If a student wishes to enroll in a course but has been inactive for 18 months or more, he or she must reenter under the current program of study.
Matriculation into a Degree Study Program

A student may study individual courses for university credit without matriculation into a program of study. However, if a student wishes to study toward a Global University diploma or degree, he or she must apply to be matriculated into that study program. Students can be matriculated into their selected program of study once they complete 18 course credits.

The basic requirement for matriculation is possession of a high school diploma or its equivalent. Under certain circumstances, provisional admission may be granted to students who are unable to provide proof of secondary education. Students who receive provisional admission may study up to 18 credits of courses and must maintain a minimum GPA of 2.00. However, a provisionally accepted student will not be allowed to study more than 18 credits of courses without qualifying for full admission to a program or receiving special approval from the Dean.

Enrollment in Individual Courses

Global University courses (individual subjects) are open to anyone who wishes to enroll, is at least sixteen years old, and has completed ten years of formal schooling. Before a student enrolls, however, he or she should keep in mind the courses are presented at a university level. Should a student wish to pursue a diploma or degree with Global University, a high school diploma or its equivalent is required. A student may enroll in a Global University course at any time by following the procedures outlined below and paying the applicable fees. Students may not enroll in more than 18 credits concurrently or during any six-month period without approval from the Academic Dean.

Selecting an Undergraduate Program of Study

If you are a first-time student and are unsure what program of study to pursue, consider these questions:

1. What program of study would best help you achieve your long-term goals?
2. What program of study requires courses with topics that interest you?
3. Have you completed degree-level courses from other schools that might be applied as transfer-of-credit for specific Global University courses?

You also have the option of selecting an undeclared program of study. This option allows you to enroll in courses at random, but it does not give you the ability to earn a diploma. To earn a diploma, you must change your undeclared program status by selecting one of the programs of study listed in the most current publication of the undergraduate catalog.

Undergraduate students are expected to declare a program of study by the time they have completed 18 credits.

When you have chosen a program of study, you must remain an active student in order to complete that particular program of study. If your student record shows no course enrollments for a period longer than 18 months, your student status becomes inactive. To reactivate your status, you must submit a new application indicating you are reactivating and enroll in a new course. Once reactivated, you must fulfill the requirements of the current program of study to earn a degree. For instance, if you declared a program of study in 2004 but became inactive, when you reactivate your student record, you can no longer graduate by completing the requirements for your 2004 program of study. Instead, you need to complete the requirements for the 2014 program of study.

Application and Enrollment Procedures

Global University’s International Office in Springfield, Missouri, is the enrollment office for students residing within the United States. Most students residing outside the United States will enroll and receive student servicing through their country’s Global University national office. If a student’s country of residence does not have a national office, the student may enroll and receive student services through the appropriate regional office or through the International Office. Any student who enrolls through the International Office in Springfield, Missouri, has the option to submit the student application and order courses online by e-mailing studentinfo@globaluniversity.edu. National or regional office students must process all student applications and course enrollments through the appropriate national office and not through the Global University website.

Pretest Requirement for All Students Enrolling in Global University Programs

All students enrolling in any Global University program (except a certificate program) must complete the Bible and Theology Pretest. This assessment must be completed before students request the final exam for their first Global University course. Acceptance into a program does not depend on scores on this test, and the results do not appear on transcripts.

At the completion of their program, all prospective graduates (except in certificate programs) will also take a posttest as part of the Capstone Requirement (described in the next section). Again, there is no required score for graduation, and the test results will not appear on transcripts. These assessments are a means of measuring the effectiveness of programs offered by Global University and evaluating the benefits students gain through their studies with Global. There is no cost for these assessments.
New Student Orientation and Capstone Requirements

Undergraduate students enrolled in a program of study that requires GUO 1002 Orientation to Global University Learning must complete GUO 1002 within their first five (5) credits of study. All students who complete an undergraduate degree (excluding certificates) must also fulfill a capstone requirement before receiving their degree.

The GUO 1002 Orientation course is designed to both assess students’ preprogram learning and prepare them for a successful experience with Global University. The Orientation course is worth two credits and is required in each undergraduate degree program (excluding certificates). Students will receive a grade for the course.

Students enrolled in programs of study prior to the development of the Orientation course will not be required to complete the course but will still be required to fulfill the capstone requirement.

The capstone requirement is designed to measure students’ progress at the end of the program. While the capstone requirement is not a course and students will not receive a grade, all components of the requirement must be submitted in order for students to graduate. The capstone consists of four activities: (1) a Bible and Theology Posttest, (2) a written essay, (3) a verbal communication recording, and (4) the Graduate Follow-Up Survey.

The written essay and verbal communication assignments are similar to the activities required in the Orientation course. Assessing students’ progress at the end of the program better enables Global University to evaluate the effectiveness of the curriculum and identify areas that need improvement.

The International Office must receive the four components of the capstone requirement before students request the final exam for their last Global University course. In the future this requirement will expand to cover all other languages, but for now it is required only of students who study their courses in English at the undergraduate level.

United States Residents Enrolling with Global University

United States residents will process their undergraduate applications and course enrollments through the International Office in Springfield, Missouri, according to the following procedure:

1. Obtain an undergraduate application and a Subject Enrollment Card (SEC) from your national office director. Note: Students who enroll through a national office may not submit an application or request course enrollments via Global University’s website.

2. Complete and return the application form with the required payment to your national office.

3. To enroll in courses, complete an SEC by carefully writing the correct course numbers and names as they appear in this catalog. Then submit the completed SEC with the required payment to your national office. Students may not enroll in more than 18 credits concurrently or during any six-month period without the Academic Dean’s approval. For courses available for both two and three credits, students may choose to withdraw from one and then enroll in the other. However, students may not be eligible for a full tuition refund when they withdraw (see Cancellation & Refund Policy).

Students Residing Outside the United States

All students have the option to enroll and receive student services from the International Office in Springfield, Missouri. However, to provide better student servicing and minimize the cost of shipping fees, it is recommended that students residing outside the United States enroll through their country’s national office or the appropriate regional office. Exception: Since online courses cannot be serviced by national or regional offices, all students wishing to enroll in Global University’s online courses must process these requests and pay all applicable fees through the International Office.

To apply and enroll through your national office, follow this procedure:

1. Complete and return the application form with the required payment to your national office.

2. To enroll in courses, complete an SEC by carefully writing the correct course numbers and names as they appear in this catalog. Then submit the completed SEC with the required payment to your national office. Students may not enroll in more than 18 credits concurrently or during any six-month period without the Academic Dean’s approval. For courses available for both two and three credits, students may choose to withdraw from one and then enroll in the other. However, students may not be eligible for a full tuition refund when they withdraw (see Cancellation & Refund Policy).

The national office will assist you and provide you with the necessary course materials. To ensure quality student servicing and to provide for consistent communication, all student requests and questions should be communicated to your national office.
Enrollment with Advanced Placement

Students who wish to transfer credit into Global University or who feel they qualify for advanced placement in their study programs may request advanced placement when they apply for an academic program of study. The options for obtaining advanced placement are listed below:

1. Transcripts from other academic institutions
   The student should request that the other academic institution send an official copy of his or her transcript directly to the Global University International Office. This transcript and other pertinent documents should be on hand at the time of the application. A student enrolling in a course through another school while pursuing a Global University degree must request an official transcript be sent to Global University BEFORE completing the last Global University course.

   The maximum number of credits that can be accepted in transfer toward the BA degree is 96. The minimum study required with Global University for any diploma or degree is 32 credits for each program of study. Transfer credit is granted only for courses for which the equivalent to Global University’s standard for a “C-” (average) or better has been earned. All transfer credit must fit Global University’s academic program requirements. Courses received with a grade of “pass” must be certified by the school as being equivalent to Global University’s standard for a “C-” or higher in order to be accepted in transfer.

   Transcripts and official documents must be in English or be accompanied by an official translation into English. Where official transcripts are unobtainable due to circumstances beyond the student’s control, Global University may accept for review a valid affidavit that substantiates the student’s academic record. In all cases, Global University reserves the right to determine whether it will accept transfer credits from another academic institution.

2. Credit for experience-based learning
   If you have achieved demonstrable proficiency in a course subject offered by Global University, you may qualify for advanced placement in undergraduate programs based on the documented evidence of your experience.

   Global University is committed to the position of the Distance Education and Training Council (USA) on Transfer and Equivalent Credit that includes the following provision:

   Credit may be given for adequately documented and validated experiential equivalent learning of a postsecondary nature. Examples are credit for business experience, university-level equivalency tests, achievement in a related profession, military training, or other postsecondary-level equivalent experience.

   The amount of credit for experiential learning is determined by a Global University academic officer. This determination is based on a review of the student’s Experiential Learning Portfolio. Forms and instructions for completing your Experiential Learning Portfolio can be obtained from your Global University enrollment office.

   In no case will the award of experiential credit exceed one-fourth of the total credits required for the degree, nor will experiential credit substitute for the one-fourth of the program that must be completed by direct enrollment.*

3. College-Level Examination Program (CLEP)
   Global University allows transfer credits for subject and general examinations of the nationally administered College Level Examination Program (CLEP). The acceptance of these credits is based on the student’s having earned the credit-granting scores recommended by the American Council on Education.*

* The combined total of experiential credit and CLEP credit accepted may not exceed 32 credits.

Admissions to Study for a Second Bachelor’s Degree

To begin a study program leading to a second bachelor’s degree, you must do the following:

1. Possess a bachelor’s degree from a qualified institution.
2. Observe all the entrance procedures outlined by your Global University director, and indicate on your application form that you are applying to work toward a second bachelor’s degree.
3. Before enrolling in your first Global University course, you must request that the institutions where your previous academic work was completed send an official copy of your transcript to your Global University enrollment office.

Student Advisement

Global University strives to provide as much assistance as possible in planning the educational programs of its students. However, it is the interest and self-discipline of students that determine success in meeting educational goals. Certain courses have prerequisites or recommended sequences that students are encouraged to follow. These prerequisites and recommendations are noted in the course descriptions.

Students can view recommended course sequences for all undergraduate programs at www.globaluniversity.edu/undergrad_programs.cfm (or, from the University’s home page, select Undergraduate School of Bible and Theology in the Schools menu, then select Programs of Study). For course advisement, students may also call 800.443.1083, option 4, or e-mail degreeaudit@globaluniversity.edu.
Student Number and Student Card

A student is issued a student number when his or her application is processed. The student number must be used on all coursework and on all correspondence or electronic communication between the student and the Global University International Office. Under no circumstances will the student be permitted to take a final examination nor will credit be given for a course without an assigned student number. Upon request, a student card will be issued to any student enrolled in a Global University undergraduate course. This card will allow the student access to any institutional library that cooperates with Global University as a host school or has signed a library agreement with Global University. These host schools are found in most countries where Global University has undergraduate students. If you are a student residing outside the United States, ask your director for a list of cooperating libraries in your country.

</tbody>
</table>

The minimum passing score for any individual course is a score of "D" (60 percent). A minimum grade point average (GPA) of 2.00 is required to earn a diploma.

Academic Probation

After 18 credits of study, provisionally accepted students who have not submitted proof of a high school diploma or its equivalent and who do not have the required 2.00 grade point average (GPA) may not enroll in additional courses. Fully accepted students who do not have the required 2.00 GPA will be warned and placed on academic probation for the next 18 credits of study. Before enrolling in additional courses, students placed on academic probation will be required to read and sign a statement acknowledging they must raise their GPA to the required minimum of 2.00 in order to qualify for a Global University degree or diploma. Signing this statement will release Global University from any obligation to provide the degree or diploma apart from the completed fulfillment of the University’s stated criteria.

The purpose of academic probation is to help students increase their GPA to the minimum 2.00 required to earn a Global University degree or diploma. To obtain passing grades and raise their GPA, it is strongly suggested that students placed on academic probation re-enroll in courses they have previously failed before enrolling in new courses. In addition, it is recommended that students on probation enroll in one undergraduate course at a time so they may focus all their efforts on successfully completing each course. It is further recommended that if their GPA is below 1.00, students study three courses at the Berean School of the Bible level to strengthen their academic abilities and better prepare themselves for study at the university level.* Since academic probation is a remedial action, individuals placed on academic probation should request and receive academic counseling from their local enrollment office to explore possible reasons for and / or solutions to their academic performance.

* Inactive students with a GPA below 2.00 who wish to reactivate their student status may reapply to Global University only as an undeclared student. These students may submit a written request to enroll in a program of study after they have raised their GPA to the required 2.00 minimum.

Academic Restriction

If after 36 credits of study students do not have the required 2.00 GPA, they will be placed on academic restriction. Students placed on academic restriction will not be permitted to enroll in any new undergraduate courses until they re-enroll in and successfully complete subjects they previously failed and that are required by their program of study. When they have increased their GPA to at least 2.00, students may petition in writing to have their academic status changed to full student status.

If the GPA of students on academic restriction drops below 1.00, the students may enroll in only one undergraduate course at a time. It is recommended that these students study three courses at the Berean School of the Bible level to strengthen their academic abilities and better prepare themselves for study at the university level.* After enrolling in a total of 54 credits, if students have not increased their GPA to the minimum of 2.00, it is recommended that they not continue in their undergraduate studies. Those students wishing to continue will be withdrawn from their undergraduate program of study and assigned an undeclared student status.

* Inactive students with a GPA below 2.00 who wish to reactivate their student status may reapply to Global University only as an undeclared student. These students may submit a written request to enroll in a program of study after they have raised their GPA to the required 2.00 minimum.
Credit System
Since academic systems vary from country to country, some students may not be familiar with the system of credits as a measure of progress in an academic program. Global University requires that students complete 128 credits to earn a bachelor of arts degree. The Undergraduate "Course Descriptions" section lists the number of credits each course is worth.
To standardize transfer of credit between schools, Global University uses the standard of study-time equivalencies as one factor in computing the credit value of its courses. In this system, a credit (sometimes referred to as a semester credit hour) represents the equivalent of 15 hours of formal classroom study, including examinations, plus another 30 hours of study outside the classroom. Therefore, one Global University credit is equivalent to 45 hours of time spent in study by the student.
Global University’s courses are designed to require this standard amount of study for the average student. That is, a two-credit course requires 90 hours of study time, and a three-credit course requires 135 hours of study time. Of course, the actual time any individual student may spend in study will depend on his or her background preparation for the course. Global University also uses these study-time equivalencies as one factor in computing transfer of credits from other schools.

Delta Epsilon Tau International Honor Society
To recognize the academic achievements of students who study at a distance, the Distance Education and Training Council (DETC) Board of Trustees officially established the Delta Epsilon Tau Honor Society (DET). DET membership brings honor and earned recognition to individuals who have worked diligently to acquire new knowledge and skills from an accredited distance learning institution. The fact that an individual is elected to membership sets him or her apart from other students and clearly demonstrates a serious commitment to distance education and self-study.
The requirement for membership in the Global University chapter is graduation from a degree or diploma program with a minimum 3.67 grade point average (GPA).
Each member receives a personalized Certificate of Membership and the Delta Epsilon Tau Gold Key of Distinction. Professionally die-struck, sandblasted, and polished, each Gold Key bears the Greek letters DET and two of the finest words in any language—Integrity and Excellence. In addition, each outstanding graduate receives a special narrative about the Honor Society and a personal letter of congratulations from the President of Delta Epsilon Tau.

Transfer of Global University Credit
Global University graduates have been accepted into graduate programs at a number of institutions in the United States and elsewhere. However, it is the student’s responsibility to verify the applicability of Global University credits toward any educational goal he or she may have. Students who enroll in a Global University course or courses and intend to transfer the credit to another institution must contact the receiving institution to verify that the institution will accept Global University transfer credits.

Transcripts of Global University Credit
A transcript (a printed report listing all course enrollments, final grades, grade point average, credits earned, and credits attempted by a student) can be provided through the Student Services department at the International Office. While courses may be transferred from other qualified institutions, grade point averages are determined only on the basis of courses completed at Global University.
An unofficial transcript is issued to the student upon graduation or when the student submits a signed request for one. An unofficial transcript does not have the University’s seal.
Official transcripts carry the Global University seal and the signature of a Global University academic officer. Official transcripts are issued only by the Registrar’s Office at the International Office and are sent to academic institutions, employers, or other institutions upon the student’s signed, written request. Students requesting a transcript must specify whether an official or unofficial transcript is needed. The signed and dated request must include the following information:
• Student’s full name and identification number
• Student’s birth date and / or (United States) social security number
• Student’s current mailing address
• The address of the employer or institution to which the transcript is to be sent
• Student’s signature and date the request is made
For the convenience of our students, a Transcript Request Form is available on the Global University website. Mail unofficial and official transcript requests to:
Student Services
Global University
1211 South Glenstone Avenue
Springfield, MO 65804-0315 USA
or e-mail:
transcriptrequest@globaluniversity.edu
When requesting a transcript via e-mail, the e-mail address from which the request is sent must match the student’s e-mail address on file at Global University.
Capstone Requirements

Students who have successfully completed the required subjects for their program of study (excluding certificates) must submit a set of capstone requirements. Currently the capstone is required of all students who study in the English language, but it will eventually extend to other Global University language programs.

The undergraduate capstone is designed to measure the effectiveness of Global University curriculum and to measure the benefits students gain through their studies with Global. Students should begin their capstone within six months of graduating and finish it by the time they complete the last subject for their program of study. There is no capstone fee charged to students, and the component scores will not show on transcripts. Although there is no grade for the capstone, all components must be satisfactorily completed before students request the final exam for their last course. Instructions for completing the capstone can be downloaded from the Global University website or mailed upon request.

The capstone requirement consists of four activities:

1. Bible and Theology Posttest
2. Written essay
3. Verbal communication recording
4. Graduate Follow-Up Survey

Graduation Requirements

Undergraduate diplomas and degrees are issued by Global University only after a review of the student’s records and certification that all the following requirements have been fulfilled:

1. All required courses have been successfully completed. Note that any transcript being evaluated for possible transfer of credit from another school must be submitted BEFORE the last Global University course is completed.
2. A minimum of 32 credits have been earned through Global University, 15 of which are in the student’s major.
3. Cumulative grade point average (GPA) is at least 2.00.
4. Capstone requirement has been fulfilled (excluding certificates).
5. The Global University Registrar’s Office has received the student’s request to graduate after the above requirements have been met.

A student may enroll in only one undergraduate program of study at a time. In the event a student fulfills the requirements for two or more programs of study at the same time, recognition is awarded for the most advanced level only.
The first three letters indicate the academic content area of the course.

1. BIB = Bible
2. THE = Theology
3. MIN = Church Ministries
4. MIS = Missions / Intercultural Studies
5. BUS = Business
6. COM = Communications
7. CSC = Computer Science
8. EDU = Education
9. ENG = English
10. GSC = General Science
11. HIS = History
12. HSC = Health Science
13. LDR = Leadership and Management
14. LIT = Literature
15. MTH = Mathematics
16. MUS = Music
17. PHL = Philosophy and Ethics
18. PSY = Psychology
19. REL = Religion
20. SOC = Sociology
21. SPN = Spanish

2. The first digit indicates the level of the course.
3. The second and third digits serve as numerical identifiers.
4. The final digit indicates the credit value.

An example is BIB 1043 *The Gospel of John*:

- The letters BIB identify the course as part of the Bible content area.
- The first digit (1) indicates the course is in the first level.
- The final digit (3) indicates this course is valued at three credit hours.
BACHELOR OF ARTS DEGREE PROGRAMS

The curricula for the bachelor of arts degrees require a total of 128 credit hours. A minimum of 32 credits earned through Global University courses is required, 15 of which must be in the student’s major. Students who plan to continue their studies in graduate school or seminary are strongly advised to complete Greek courses.

Four-Year BA Degree in Bible and Theology

The Bachelor of Arts in Bible and Theology is designed to provide the biblical and theological background required for pastoral or preaching ministry. After successfully completing this curriculum, the student will be able to interpret the Bible, prepare and deliver sermons, and administer the programs of a local church.

*Students who have strong computer skills have the option to request a computer competency exam. Those passing the exam may substitute another general education course in place of CSC 1023. Please contact your enrollment office for fees and other information.

‡ Internet access is required.

Note: This program is offered as a Bachelor of Biblical Studies, Bachelor of Theology, or Bachelor of Divinity in some countries.

This program requires students to complete a Bible and Theology Pretest and Posttest. The pretest must be completed before students request the final exam for their first course. The posttest is a part of the undergraduate capstone requirement. It is recommended that students begin working on the essay and verbal components of their capstone within six months of graduating. The posttest and graduation follow-up survey should be completed during their last course. All four capstone components must be submitted before requesting the final exam for their last course. There is no cost for these assessments.

Thesis option available. Students who plan to continue their education in graduate school or seminary may study this program with a thesis option to better prepare themselves for studies at that level. A 6-credit thesis and two 3-credit New Testament Greek courses can be selected to replace an equal number of elective credits in this program. 2014 Undergraduate School of Bible and Theology
THREE-YEAR BACHELOR OF ARTS DEGREE

(For students in a qualifying international education system)

The typical North American high school curriculum prepares college-bound students for a four-year bachelor’s degree program. However, many international school systems prepare qualified high school students for the three-year bachelor’s degree program. For this reason, Global University offers 3 three-year bachelor of arts programs through national offices: Bible and Theology, Christian Education, and Intercultural Studies. The student should contact his or her national office to find out if the three-year program is offered in his or her country.

To be accepted into one of these three-year bachelor's programs, (a) the student must complete the application process, (b) the student must have graduated from a qualifying international educational system that endorses the three-year bachelor’s degree program, and (c) the student must have "A" level certificates or the equivalent.

The curricula for the 96-credit three-year bachelor of arts degrees are given below. A minimum of 32 credits earned through Global University courses is required, 15 of which must be in the student's major.

SECOND BACHELOR OF ARTS DEGREES

Students who have already completed an undergraduate degree may enroll with Global University to study for a second bachelor of arts degree. Please note the admission requirements for this program stated in the Undergraduate Program "Objectives and Design" section.

Global University assumes the previous major will normally have been in a field unrelated to Christian ministry. However, if the student’s educational background includes some courses in Bible, theology, intercultural studies, or church ministry relevant to the selected major, it may be possible to transfer some of these credits. A total of 50 credits is required with a minimum of 32 credits earned through Global University courses, 15 of which must be in the student’s major. Transcripts being evaluated for possible transfer of credit into a second BA program must be received in the registrar's office before you enroll in your first Global University course.

Second BA Degree in Bible and Theology

The Second Bachelor of Arts in Bible and Theology is designed to provide the biblical and theological background required for pastoral or preaching ministry. After successfully completing this curriculum, the student will be able to interpret the Bible, prepare and deliver sermons, and administer the programs of a church organization.

Courses from any Division 11

**Total:** 11

**Total for Program:** 66

**Note:** This program is offered as an Associate in Church Ministries or Diploma in Church Ministries in some countries.

This program requires students to complete a Bible and Theology Pretest and Posttest. The pretest must be completed before students request the final exam for their first course. The posttest is a part of the undergraduate capstone requirement. It is recommended that students begin working on the essay and verbal components of their capstone within six months of graduating. The posttest and graduation follow-up survey should be completed during their last course. All four capstone components must be submitted before requesting the final exam for their last course. There is no cost for these assessments.
CERTIFICATE PROGRAMS

The certificate programs provide basic training in specific areas of Christian ministry and service. Each certificate program includes courses drawn from the degree credit program. Students who wish to study for credit but do not wish to embark on a full degree program are encouraged to begin with a certificate program of their choice.

The certificate programs provide specific and basic education in particular areas of need and are designed to enhance students’ skills in communicating the Christian message. Students may enroll in a series of subjects that satisfy a particular interest. All courses taken as part of a certificate may be applied toward a degree. All courses must be completed through enrollment in Global University courses.

COURSE GUIDELINES AND REQUIREMENTS

Methods of Instruction
Global University uses a variety of methods to meet the needs of its students at all levels of study. Global University students have been pastors, evangelists, and national church leaders wishing to continue their ministerial education, as well as those preparing to enter the ministry for the first time. Many Global University students are laypersons who wish to have the training necessary to work more effectively in their local churches.

Many Global University students study independently, but Global University also works closely with several Bible schools for the benefit of their students. Global University endeavors to select the methods appropriate for each type of learning situation.

The following are some of the ways students may study with Global University:

1. **Independent Study**: Independent-study students are those who study at home while maintaining their regular routines of ministry, employment, and family responsibilities. Usually, they will study alone on a personally developed schedule that enables them to minimize the disruption of their other activities and responsibilities. Global University courses are specifically designed to meet the needs of independent-study students. The presence of an instructor is not required; however, an examining supervisor must administer the final examination.

2. **Guided Independent Study**: In this mode, a facilitator meets regularly with the student to guide and encourage his or her study. If approved as an examining supervisor, the facilitator may also administer the final exam.

3. **Seminar Courses**: From time to time, Global University conducts on-location teaching sessions (seminars) in conjunction with the program of a Global University director or residential Bible school. Seminars provide an opportunity to interact with other students and an instructor while studying course materials.

4. **Study Groups**: Many Bible study groups use Global University courses. These include church Bible study groups and citywide Bible study projects. Such groups usually take the form of classes with active direction from a facilitator, pastor, or other group leader. Or, a study group may simply be a place where students can study together with some tutorial assistance.

5. **Global University/Residence Bible Schools**: Global University encourages the use of its instructional materials by residence Bible schools. Although primarily designed for independent study, Global University study materials are adaptable for classroom use.

6. **Online Courses**: Global University is in the process of developing all undergraduate programs for Internet delivery. These online courses will be identical to the print-based courses in content but with additional interactivity built in. To learn which courses are currently available, contact the International Office at studentinfo@globaluniversity.edu, or visit our website at www.globaluniversity.edu. Students residing outside the United States should note that online course enrollments cannot be processed or serviced through Global University’s national offices.

Using Your Global University Materials
Global University’s Independent-Study Textbook and Study Guide formats are designed to provide you with direction throughout your course. In fact, they are “teaching books.” Naturally, the style is more formal, since it is in written rather than spoken language. However, the goal is to communicate through the written word the kind of experience a student would find in a degree-level classroom.

Organization of Each Lesson
Each course is generally divided into several units, and these units are divided into lessons. Each lesson has several parts. The courses are developed in one of three formats.

- **In the first format**, each lesson has three parts. The first section is the lesson organizer, which overviews the lessons, defines learning activities, states the lesson objectives, and provides an outline. The lesson development is the largest part of each lesson and contains the major part of the instruction. The lesson development is divided into blocks of content. Each block of study is associated with an objective. The objectives in the lesson are vital to the study process since they form the criteria for all questions on the unit tests and final exams.

- **In the second type of course format**, the lesson introduction highlights the lesson’s general concepts and lists the lesson objectives and outline. The content is the largest part of each lesson and contains the major part of the instruction. Each block of content is associated with an objective and a guiding question. The lesson objectives are vital to the study process since they form the criteria for all questions on the unit tests and final exams. Learn-by-doing activities offer ways to put into practice the information learned.

- **The third type of format** is almost identical to the second, except that the guiding questions are replaced with interactive questions. These interactive questions encourage students to actively think about the key concepts of the lesson and the relevant perspectives. At least one interactive question is included for each lesson objective. As in each of the other formats, the lesson objectives are vital to the study process since...
they form the criteria for all questions on the unit tests and final exams.

At the end of each lesson in all course formats is the self-test. The self-test is designed to help you achieve the lesson objectives. The entire lesson should require approximately 10 hours of study.

Text and Reading Assignments

Global University courses have two methods for directing the student to outside reading assignments. If a textbook is directly integrated into the study plan of the Global University course, the assigned reading will be given in the lesson introduction or throughout the Study Guide. Studying one section at a time, first in your textbook and then in your Study Guide, will make it more convenient for you to take advantage of short periods of study time. You will not need to wait until you have time to do an entire lesson at once.

Another method of providing outside reading is the combination of a two-credit course with a collateral reading assignment (CRA). In this method, you will complete initial coursework and then be directed to read an outside text or texts on which you will make a written report called a CRA. This assignment will add one credit to the credit value of the course. For courses available for both two and three credits, students may choose to withdraw from one and then enroll in the other. However, students may not be eligible for a full tuition refund when they withdraw (see Cancellation and Refund Policy).

Completing Coursework

You should expect to spend an average of 10 hours of study per lesson. Preparation for exams and the research and writing of papers will vary according to the abilities of each student. You have six months from the date the enrollment is processed in which to complete a course. However, the time spent to complete a course is determined solely by you, the student. It is important to have a thorough understanding of each lesson before you proceed to the next one. The self-test at the end of each lesson will help you evaluate your mastery of the content. Take each one as you would an examination in a classroom.

If you study two hours per day, five days per week, you should be able to finish a course in about three months. It is important that you develop a schedule to determine which two hours each day you will spend in study. Then be sure not to let any other activity keep you from your college schedule. Treat these two hours as you would study time for a residential class at a university.

Time Limit for Completing a Course

The time limit for completing a Global University undergraduate course is six months from the date the order is processed by Global University. Students are expected to complete their studies within this prescribed length of time. However, where circumstances merit, an extension of up to six months may be granted upon request. A processing fee is required for the extension. Additional extensions are not permitted.

Written Assignments

Global University (GU) courses require written projects or research papers. You will be provided with instructions for completing these written assignments, and a Global University Undergraduate Form and Style Guide is available to assist you. Written assignments are to be submitted according to the guidelines presented in the GU Undergraduate Form and Style Guide. Written assignments that do not follow the criteria outlined in the style guide will have points deducted from the assignment score. The GU Undergraduate Form and Style Guide may be downloaded from Global University’s website or purchased with your course materials. The course will not be considered complete until all written assignments have been submitted.

After you complete an assignment, be sure to label it with your name, address, student identification number, course title, course code, print number (PN), and assignment title. Then submit it to your Global University enrollment office. Your work will be returned with a grade and any comments the faculty member thinks you may find helpful. You should submit your written assignments before requesting the final examination, since the graded assignments will assist you in your review for the examination. Students who re-enroll in a course must complete all course requirements, including retaking the final exam.

Service Learning Requirement

A service learning requirement (SLR) is required in all undergraduate courses except the biblical languages courses. The SLR is designed to help you develop your ability to apply and present course principles to others in your community, thereby developing ministry and practical skills while meeting real-world needs. You must submit an SLR Report before requesting the final examination. You will receive course credit and a final grade only after the SLR is completed and assessed as satisfactory by a faculty member.

Unit Progress Evaluations

The number of unit tests will vary with each course. Unit tests are not submitted for grading. These tests are for your self-evaluation only.

Final Examination

The final examination must be arranged by you, your examining supervisor, and your Global University enrollment office. International students should contact their enrollment office well in advance of the date they wish to take the examination. Directly enrolled students should submit proper forms four weeks before their scheduled test date. The final exam is a Scantron-based exam with no essay questions. The
test is primarily multiple choice but may include true / false and /or matching. It is the student’s responsibility to complete the final examination before the course expiration date. Proper planning is essential.

1. The student is responsible for completing the Student Request for Final Examination form. Directly enrolled students may obtain this form from the Student Packet, the Undergraduate Supplemental Procedures Manual, or Global University’s website. International students will find this form in their Student Packet. The final examination in any course may not be taken until the following have occurred:
   a) A Subject Enrollment Card (SEC) or course order has been received at the International Office.
   b) A student number has been officially assigned.
   c) The proper final exam request information has been received by the International Office.
   d) Arrangements have been made for an approved examining supervisor to administer the final examination.
   e) All projects and assignments that are part of the final grade have been submitted. For all undergraduate courses (except biblical languages courses), students will not receive course credit or a final course grade if the required SLR has not been submitted.

2. The confidential final examination, with a control number affixed, is sealed and sent by the International Office in Springfield, Missouri, to the director or directly to the examining supervisor. If sent to a director, the director records its arrival and sends it to the Global University examining supervisor.

3. The examining supervisor arranges with the student a time and place for the examination and administers it. The examining supervisor must be present in the room with the student during the entire time the examination is being given. All parts of the final examination must be returned by the examining supervisor to the Global University International Office. Exam supervisors for directly enrolled students must return the final exam, whether completed or not, by the due date listed on the exam Scantron. Failure to do so will incur a fee per exam.

**Notification of Grades**

The Global University International Office scores all final examinations. Upon completion of a course, the grade is sent by postal service or e-mail to the student on a Final Grade Report (FGR) form. The grade is permanently recorded at the International Office.

**Grading Scale**

Global University undergraduate courses are graded according to the following scale:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

The minimum passing score for any individual course is a score of "D" (60 percent). A minimum grade point average (GPA) of 2.00 is required to earn a diploma or to graduate. (See the “Academic Good Standing” section.)

**Resubmitting Written Assignments**

If a student receives a score of 60–79 points out of the maximum 100 points on a written assignment, the student can request permission to resubmit and attempt to raise his or her score. (The maximum grade allowed on a resubmission is 80 points.)

If the student receives a score of 59 points or below, the student automatically has the option to resubmit the assignment, and the faculty grader should encourage the student to do so. However, the student is not required to resubmit the assignment.

In all cases, only one resubmission is permitted per assignment (project or CRA). The maximum grade that can be assigned to a resubmitted assignment is 80 points. The resubmission score, whether higher or lower than the original score, will be the final score.

Resubmissions must be submitted before the course expiration date. Resubmissions received after the six-month expiration date will not be scored unless the course has been extended. Resubmissions received after the one-year expiration date will not be scored. The student will need to pay the full tuition and re-enroll in the course for the resubmission to be scored.

**If You Do Not Pass a Course**

Global University is committed to the goal of fostering a high level of success in learning on the part of each student. The course materials are designed to enhance the possibility of success for students who carefully follow the instructional
sequences given and complete all learning exercises according to the instructions in the Study Guide.

To qualify to retake your final exam, you must

1. Have received a final grade for the course below 70 percent and scored less than 70 percent on the final exam.
2. Contact your director or the International Office in Springfield, Missouri, to retake the examination. (A retake fee may apply.)
3. Complete the retake exam before the course expiration date. Retake exams completed after the six-month expiration date will not be scored unless the course has been extended. Retake exams taken after the one-year expiration date are null and void. The student will need to pay the full tuition, re-enroll in the course, and then submit a new final exam request.

Before taking the second examination, carefully review the course materials and attempt to correct learning inadequacies. The score received on the retake examination, whether higher or lower than the original exam score, is the final score. If you fail to earn a passing score through reexamination and you desire to take the exam a third time, you will be required to re-enroll in the course and pay the applicable fees to receive credit.

Online Library

The Global University Library provides students and faculty access to thousands of resources for biblical study and theological research. Course Research Guides feature useful resources compiled by faculty and librarians to help in writing course projects and collateral reading or writing assignments. You may access these resources via the Global University Library website at library.globaluniversity.edu or through the “Library” link on the Global University website. Global University is continually expanding its online information services in conjunction with the Global University Library and the University’s global library network.

Special Projects

Each division of the undergraduate program in the Undergraduate School of Bible and Theology provides the possibility of a special project on the fourth level of studies. These are individualized activities using special readings and/or research techniques to meet some unique need in the particular division of study. Any student desiring to do a special project must make a proposal to the Dean of the Undergraduate School of Bible and Theology. Up to three credits may be earned. The last number in the course code for the special project reflects the assigned number of credits that can be earned; for example, BIB 4093 earns three credits.

The following are suggested guidelines for completing a special project:

1. The work must be done in a specific academic discipline, such as Bible, theology, church ministries, or intercultural studies.
2. Any student who wishes to enroll in a special project must first submit a proposal of about 100 words in length and a Subject Enrollment Card (SEC) or course order to his or her enrollment office. The student should keep a copy of the proposal. The proposal must
   a) describe the nature and significance of the special project.
   b) describe the methods to be used to carry out the study (interviews, surveys, reading, and other research).
3. At the International Office, the proposal will be forwarded to the Dean of the Undergraduate School of Bible and Theology for approval. An SEC or course order for a special project will be processed only after the student’s proposal has been approved. A student may proceed with the special project after he or she has received notification that the proposal has been approved and he or she is enrolled in the special project course.
4. The student will submit the special project with a minimum of 1,500 words for each credit to be earned; that is, a minimum of 4,500 words must be submitted for the three-credit special project. Information on how to prepare this paper using proper formatting can be found in the Global University Undergraduate Form and Style Guide.
5. The student’s work will be evaluated based on the clarity and structure of the paper’s content and the appropriateness of the research and/or reading to the subject being examined. The paper must demonstrate a depth of insight and practical application.
6. Special project courses are restricted to a maximum of six credit hours per student.
7. Special project courses are restricted to students who are within 32 credits of completing a degree program.
COURSE DESCRIPTIONS

Acronyms used in course descriptions and “materials required” are defined as follows:

IST: Independent-Study Textbook. The IST contains all materials necessary for completing the course.

SG: Study Guide. The SG is written to accompany an outside textbook. The outside textbook will be listed under “materials required.”

CRA: Collateral reading assignment. The CRA is an additional assignment to raise the credit value of the course by one credit. It requires an additional textbook that will be listed under “materials required.”

CWA: Collateral writing assignment. Some Global University courses require a collateral writing assignment (CWA) instead of a CRA to earn the three credits for the course. The questions for the CWA are based on the IST for the course, whereas a CRA requires an additional textbook that will be listed under “materials required.”

SG: Study Guide. The SG is written to accompany an outside textbook. The outside textbook will be listed under “materials required.”

IST: Independent-Study Textbook. The IST contains all materials necessary for completing the course.

Bible Division

The New International Version of the Bible is a primary textbook, along with the listed text, for each of the Bible courses.

*BIB 1032 The Life of Christ in the Synoptic Gospels (2 credits)
This course is a study of the life of Christ from the viewpoint of the Synoptic Gospels—Matthew, Mark, and Luke. The Life of Christ in the Synoptic Gospels helps the student grasp the chronological progression and the spiritual significance of important events in Christ's life. It also stresses His message and His method, including His parables and miracles. Organized around three themes—the world, the Man, and the message—this study helps students integrate their understanding of His life and work with a clear commitment to live by the principles He taught and the values He demonstrated. They are enabled to preach and teach about Christ with greater understanding and effectiveness.

Materials required:
IST: The Life of Christ in the Synoptic Gospels by Michael R. McClain
CRA Textbook: Jesus the Messiah: A Survey of the Life of Christ by Robert H. Stein

*BIB 1033 The Life of Christ

*BIB 1033 The Life of Christ in the Synoptic Gospels (3 credits)
See description of BIB 1032 The Life of Christ in the Synoptic Gospels above. This course is the same as BIB 1032 The Life of Christ in the Synoptic Gospels except that a CRA must be completed. The textbook for the CRA is listed under “materials required.”

Materials required:
IST: The Life of Christ in the Synoptic Gospels by Michael R. McClain
CRA Textbook: Jesus the Messiah: A Survey of the Life of Christ by Robert H. Stein

Materials required:
IST: The Life of Christ in the Synoptic Gospels by Michael R. McClain
CRA Textbook: Jesus the Messiah: A Survey of the Life of Christ by Robert H. Stein

*BIB 1043 The Gospel of John (3 credits)
This course presents an analytical study of the Gospel of John. Special attention is given to the structure of the Gospel and the progressive development of its main themes of belief in Jesus Christ and unbelief, and the resultant conflict between the two. The life, character, and redemptive ministry of Jesus Christ are examined in their historical context and from a divine perspective as portrayed by John the Evangelist.

Acts deals with the continuing ministry of the resurrected Christ in the world through the Holy Spirit. The author analyzes and examines questions concerning the growth of the church, both historical and contemporary. Using the principles of divine guidance illustrated in Acts, the course shows how apparent defeats and setbacks actually became victories and advances for the gospel. The Study Guide suggests practical applications to help the student face similar problems today. (BIB 3073 The Book of Acts parallels this course. He begins with exegesis, teaching the student how to use this method of Bible study to understand the problems faced by first-century Corinthian believers. Then, for each major problem the apostle Paul dealt with, the author suggests a possible solution or an interpretation that can be applied to the church today. This course is especially helpful to those who wish to preach and teach as it demonstrates a methodology of Bible interpretation. An overview of 2 Corinthians is also included in this study. LIT 1212 Old Testament Literature: His Story (2 credits)
This course is a study of beginnings. It shows how the ancient, inspired Hebrew writers expressed in narrative form a record of God’s saving deeds from the beginning of God’s work with all humankind. From these narratives, students can see God’s unfolding plan of redemption through what Christians believe to be God’s revelation. Concepts like covenant, priesthood, law, trust, faithfulness, and righteousness come from the Old Testament. Such knowledge is basic to understanding the New Testament. The Old Testament is the only Bible Jesus, His followers, and the early believers had. Storytelling is one of the oldest methods of communicating from one generation to the next. Learn to tell God’s story from the record of the Old Testament and be equipped to pass it on to your generation and those to follow. (This course has replaced LIT 1202 Old Testament Literature; formerly titled BIB 1012 Old Testament Survey.)

Materials required:
IST: Old Testament Literature: His Story by Steven Fettke

LIT 1303 New Testament Literature (3 credits)

Knowledge, change, and action: these three terms reflect the objectives of the New Testament Literature course. A panoramic view of the New Testament unifies the study of its messages, doctrines, personalities, and problems of interpretation. MIN 2052 The Biblical Role of Women (2 credits)
Written by Assemblies of God women—ordained ministers and scholars—*The Biblical Role of Women* uses an exegetical and hermeneutical approach to study what Scripture says about women in life, family, and ministry. Study of this course helps students learn how God related to women in the Old Testament and identify roles women played in the first-century church. The goal of the course is to point the student toward what today’s church should be like, wherever people know and follow Jesus Christ. The Holy Spirit empowers and equips both men and women to expand His kingdom.

HSC 2022  The Church’s Response to the HIV / AIDS Crisis  (2 credits)
This course provides in-depth and accurate information about the greatest human tragedy in the history of the world—the HIV / AIDS epidemic. The course is designed with the hope that, as pastors and Bible school students increase their knowledge of the facts about HIV / AIDS and possible interventions, they will take the lead in developing outreach ministries that will radically change the course of the disease. Moreover, the course shows that compassion extended to those infected or affected by AIDS will radically change the hearts and lives of individuals.

Materials required:

LDR 4102  Managing Conflict  (2 credits)
This course is a study of the effective managing of conflict, particularly in the church. The course draws from a scriptural foundation with input from contemporary Christian and leadership literature. It begins by exploring the definition of conflict and its stages, emphasizing why managing conflict is a key part of a leader’s role in helping the church’s mission. Conflict is understood further by examining sources of conflict, communication, and approaches to conflict. A key part of the course includes scriptural perspectives on conflict from Jesus’ teaching and biblical case studies. The leader’s role in managing conflict is considered, beginning with the leader’s heart and moving to strategies for managing and reducing conflict, as well as how churches, organizations, and leaders can grow during conflict.

Materials required:
IST: Managing Conflict by Ronald I. Sommers
CRA Textbook: Building Conflict Competent Teams by Craig E. Runde and Tim A. Flanagan

LIT 1023  Introduction to World Literature  (3 credits)
In this course, the author presents the origins of literary traditions, the various types of literature readers may encounter, the elements that identify not only different literary forms (such as fiction, poetry, and drama) but also the subgenres of those forms, and how understanding the elements of literature will deepen both the reading and understanding of God’s Word and the Christian life experience. The author uses many examples from world literature to present effective methods for seeing the elements of good literature at work. (NOTE: The literature readings for this course require Internet access.)

Pastors and church music directors are equipped to provide leadership for a musical program that will be effective in helping meet the spiritual needs of people. The course emphasizes the use of music to glorify God. A digital audio recording on CD is included with the IST.

Special Courses

**80 Directed Reading (2 or 3 credits)**
This is a special study under the direction of a Global University adviser in some area of interest to the student that is relevant to his or her academic program. A proposal for the directed reading course, detailing the books to be read and project to be completed, must be submitted to the International Office for approval by the Dean of the Undergraduate School of Bible and Theology. The course number will vary by the division of study (Bible, theology, church ministries, intercultural studies, or general education) and the credit hours assigned to the project.

**956 Thesis (6 credits)**
A bachelor's thesis is written under the direction of a Global University adviser. Students must be within six credits of completing all coursework required by the degree program before submitting their thesis proposal. Students must submit their enrollment for the thesis at the same time as they submit the thesis proposal. The thesis proposal must be developed by the student and approved by the Dean of the Undergraduate School of Bible and Theology before enrollment in this course is permitted. Once the thesis proposal is approved, students will have 12 months to submit the final copy of the thesis. Write to your Global University director for further information.

Note:
Global University may use the thesis for archives, research, and academic example both in hard copy and electronic formats, including posting the thesis on the Global University Library website for use by students, faculty, and other registered users. A student has the option to grant written permission for any purpose other than those listed. All other copyright privileges relating to the thesis belong to the student.

*The subject area of the directed reading or thesis determines the prefix attached to the special course number; for example, MIN 80 indicates a directed reading in the subject area of ministry.*
