UNDERGRADUATE STUDIES COURSE ORDER FORM

See the catalog for descriptions of courses and programs. Students may not enroll in more than 18 credits concurrently or during any six-month period without approval from the Academic Dean. Students have six (6) months to complete a course(s) from the date the order is processed by Global University.

Effective January 1, 2019 no extensions will be allowed for undergraduate courses that are enrolled in January 1, 2019 or later. Students will have 6 months to complete each course. If the course is not completed within 6 months, the student will need to re-enroll (pay tuition again) in order to be able to complete the course.

Undergraduate courses enrolled in prior to January 1, 2019 can still be extended, if needed.

If you are enrolled in another institution and are planning to transfer your GU credits to that institution, you should obtain the approval of the dean or other authorized representative of the other institution for each course in which you enroll. Global University is accredited by the Higher Learning Commission.

GUIDE TO ORDER FORM TERMINOLOGY

INDEPENDENT STUDY TEXT (IST)

An independent-study text (IST) contains all materials necessary for completing the course. The IST is your teacher and course guide in one package. The IST – whether printed, online, or digital – is required to complete the course.

COLLATERAL READING (CRA) TEXTBOOK

A collateral reading textbook may be required to complete a Collateral Reading Assignment (CRA) in order to upgrade the course from 2 credits to 3 credits. The collateral reading textbook will be indicated on the order form as “Collateral Reading Textbook” or “CRA textbook.”

COURSE GUIDE

The course guide (CG) accompanies a GU-developed textbook. When the course is studied online, the course guide encompasses the online content (including all graded portions of the course), guiding a student through their study of a textbook produced by GU. The GU textbook will be listed on the order form as “required textbook.”

STUDY GUIDE

The study guide (SG) is written to accompany an outside textbook. For a course in study guide format, the study guide (printed or digital) and the accompanying textbook are required to complete the course. The textbook will be listed on the order form as “required textbook.”

REQUIRED TEXTBOOK

A textbook may either be produced by GU or an outside publisher, but is required for completion of a course.

DIGITAL COURSE

The Global University textbook, study guide or IST will be available to download in PDF format at <http://www.globaluniversity.edu> and for mobile devices at <http://www.globaluniversity.mobi/> (other digital formats possible in the future). Even if you order a course in printed format, you will also have access to the textbook, IST or study guide as a PDF download, if available. However, any other required textbooks or collateral reading textbooks will need to be purchased in print format as Global University does not own the copyright to these textbooks.

SERVICES SUPPORT FEE

The Services Support fee is required for all degree-level courses (except GUO1011). This fee provides students access to thousands of resources and tools through the Global University library website (<http://library.globaluniversity.edu>). It also covers the development and support of enhanced online learning technology, as well as assessment services.

REQUIRED READING

Some courses require students to read material accessible on the Internet. For students without Internet access or who prefer a print version, the required reading is compiled in a print packet, available for purchase with course materials.
