To expedite your orders, please complete all student information on this initial page and on the next page pertaining to shipping and handling. Note that these courses meet the educational requirements for most Assemblies of God districts, but ministerial credentials are issued through the General Council of the Assemblies of God, not through Global University. The credentials committee of your district will make the final decision concerning your eligibility for credentials. Students have six (6) months to complete a course from the date the order is processed by Global University. A six (6) month extension may be requested for a fee. If a course is not completed within one year, students must pay full tuition to re-enroll in any course. Global University is accredited by the Higher Learning Commission and a member of the North Central Association and by the Accrediting Commission of the Distance Education and Training Council (DETC).

INDEPENDENT STUDY TEXT (IST)

All Berean courses are printed in a comprehensive Independent-Study Textbook (IST). The IST is your teacher, textbook, and study guide in one package. The IST is - whether printed, online, or digital - required to complete course.

RECOMMENDED READING TEXTBOOKS

An optional textbook is recommended for use with each course. The textbook recommended to accompany this course is listed on the cover of the Student Packet. Some courses may provide additional suggested reading lists following the *reference list*.

ONLINE COURSE

The Global University study guide or IST will be available online. Even if you order a course in printed format, you will also have access to the IST or study guide online if available. However, the Recommended Reading Textbooks or required textbooks for the older study guide courses will need to be purchased in print format as Global University does not own the copyright to these textbooks.

DIGITAL COURSE

The Global University study guide or IST will be available to download in PDF format at <http://www.globaluniversity.mobi/> (other digital formats possible in the future). Even if you order a course in printed format, you will also have access to the IST as a PDF download if available. However, the Recommended Reading Textbooks or required textbooks for the older study guide courses will need to be purchased in print format as Global University does not own the copyright to these textbooks.

MINISTERIAL INTERNSHIP COURSES

The internship courses are comprised of a Student Manual (with accompanying student packet) and a Mentor Manual. Although these manuals mirror each other in structure, the content is not identical. The Student Manual contains instructional information and activities designed to prepare the student for actual ministry. The Mentor Manual contains the student's learning objectives and interactive questions but has mentor to conduct learning sessions with the student. The Mentor Manual is required for each internship and is only available in printed version.
