**CANCELLATION AND REFUND POLICY FOR UNDERGRADUATE COURSES**

Refer to the policy as stated in the Global University Undergraduate School of Bible and Theology Catalog ([http://www.globaluniversity.edu/PDF/catalogUG.pdf](http://www.globaluniversity.edu/PDF/catalogUG.pdf)) or the Undergraduate School of Bible and Theology order form ([http://www.globaluniversity.edu/PDF/orderUG.pdf](http://www.globaluniversity.edu/PDF/orderUG.pdf)).

**COURSE AUDITS:** If you audit a course, you do not have the option to upgrade to a full-tuition course in order to receive course credit and a grade. Students auditing a course may not submit completed assignments for grading purposes.

**DEGREE AUDIT FEES:** A degree audit will be performed when you have submitted a completed application, selected a Program of Study (Major), and all official transcripts from institutions that you have previously attended have been received in our office. If you have no college-level transcripts to submit for transfer credit you will need to submit a copy of your high school transcript or GED. This Original Degree Audit will show you the courses that you need to complete in order to meet your degree requirements. Your Application Fee covers the cost of this original degree audit. Your Graduation Fee covers the cost of your Grad Check, which is the degree audit that shows you have completed all courses required by your degree program. You may request an additional degree audit at any time during your studies for a $25 processing fee.
Developing successful study habits promotes an atmosphere for learning and growth. Following the study habits listed below will be a great asset in course completion and academic excellence.

- **Take courses according to level.** We recommend new students follow the recommended course sequence for their particular degree, as found in the undergraduate catalog beginning on page 29. Global University courses are divided into lower and upper levels. Lower-level courses are those designed to be taken without regard to any particular sequence. Upper-level courses may have either a prerequisite or recommended previous study and require a higher level of academic rigor. If a prerequisite is required or a certain sequence is suggested, a notation is made in the course description. For example, BIB4113 Greek I must be taken before BIB4123 Greek II.

The first three letters indicate the academic content area of the course (e.g., BIB for “Bible,” MIN for “Ministry” etc.). The first digit indicates the level of the course. The second and third digits serve as numerical identifiers. The final digit indicates the credit value. An example is BIB1042/3 The Gospel of John (see below).

![Course Identifier Diagram]

While students are not required to follow the recommended course sequences found in the catalog, the sequences will help to ensure you are taking courses at the appropriate level as you progress through their studies.

- **Familiarize yourself with the course design.** Familiarize yourself with your Study Guide or Independent Study Text (IST) and Student Packet. The guide includes information about the course description, objectives, and requirements. Each course you take with Global University will follow the same instructional design.

- **Be realistic.** You will not have to attend class, but you will have to do regular academic work. You will need to spend 3 to 6 hours each week studying your course.

- **Set goals and stick to them.** Keep a calendar to chart your progress. Set dates to complete the Self-Tests and Unit Progress Evaluations (UPEs) in order to complete your course in the allotted, 6-month time frame.

- **Organize your goals in a study schedule.** Identify study times when you are fresh and attentive. Think of these study times as “reserved time.” If you have to miss too many study times, revise your schedule.

- **Know where to study.** Find a place that is free from distractions. You may consider using your office, a public library, or a separate room in your home.

- **Prepare for assignments and tests.** Take notes on 3- by 5-inch cards or directly into a word processor or computer database to record significant events, dates, ideas, and people. Underline or highlight main phrases and key words in your Study Guide or IST. Pay particularly close attention to the “main objectives” in the Study Guide or IST, since the final exams will be mostly based on these.

- **Use good communication skills.** Pay attention to instructions and be certain you understand what is required when submitting assignments. If you have course-specific questions, you should send an e-mail to asktheprof@globaluniversity.edu.

- **Time your tests wisely.** Before you take the final exam, review all Self-Tests, UPEs, and course objectives to make sure you fully understand all the concepts presented in your course.
Course Final Grade Report (FGR)

The final course grade will be calculated as follows:

- Projects – 25% of the course grade
- Collateral reading assignment (CRA) or collateral writing assignment (CWA) – 35% of the course grade if required for your 3-credit course (see lists of courses requiring these on page 15)
- Final exam – 75% without CRA/CWA, or 40% with CRA/CWA. On the FGR for courses with midcourse and end-of-course exams, the final exam percentage represents a combination of those two exams.
- Service Learning Requirement (SLR) – required for most courses in order to complete the course, evaluated as “satisfactory” or “unsatisfactory,” but worth no actual point value (see list on page 14).

Submitting Completed Course Work

Mail: Address the envelope to Global University/Attention: Student Services (full address on page 4).

E-mail: Submit assignments as a Microsoft Word, OpenOffice / LibreOffice Writer, WordPerfect, Microsoft Works, Rich Text Format or PDF document to gradingservices@globaluniversity.edu.

Your final exam will not be mailed to your supervisor until all course work items have been received in our office. Once all course work and the final exam are received it usually takes a minimum of three weeks (longer during holidays) to process your work and mail/e-mail grade information to you. We cannot give grade information over the telephone.

Course Projects / Collateral Reading Assignments / Collateral Writing Assignments

Global University requires that projects, CRAs, and CWAs be written with the inclusion of research using 3-5 references from the GU Library Website or other academic sources documented according to the Global University Undergraduate Form and Style Guide. Ten percent of the grade for the project and CRA/CWA will be based on proper style, grammar, spelling and documentation.

How to request a copy of the Global University Undergraduate Form and Style Guide

The manual can be downloaded free from http://globaluniversity.edu/pdf/UG-FormAndStyleGuide.pdf. The manual is also available in print for a fee. For ordering information, please call an Enrollment Representative at 1-800-443-1083, option #4, Monday to Friday, 9:00 a.m. to 6:00 p.m. Central Standard Time.

What to do if you do not pass

Students who receive a score of 60–79 points out of the maximum 100 points on a written assignment can request permission to resubmit and attempt to raise his or her score. (The maximum grade allowed on a resubmission is 80 points.) If a score of 59 or below is received, the student automatically has the option to resubmit the assignment, but is not required to do so. In all cases, only one resubmission is permitted per assignment (project or CRA). The maximum grade that can be assigned to a resubmitted assignment is 80 points. The resubmission score, whether higher or lower than the original score, will be the final score.

Resubmitted assignments arriving after the course expiration date will not be graded and the original assignment score will stand.

Service Learning Requirements (SLR)

Students will receive an SLR Faculty Feedback form with each SLR, indicating if the SLR is ‘satisfactory’ or ‘unsatisfactory.’ Please note that although there is no point value, your FGR will not be released until a satisfactory SLR has been submitted. A resubmitted SLR must arrive before the course expiration date.
The Global University Undergraduate Form and Style Guide defines the form, style, and documentation system for completing Global University writing assignments. The manual can be downloaded free from http://globaluniversity.edu/pdf/UG-FormAndStyleGuide.pdf. The manual is also available in print for a fee. For ordering information, please call an Enrollment Representative at 1-800-443-1083, option #4, Monday to Friday, 9:00 a.m. to 6:00 p.m. Central Standard Time.

Writing for Academic Quality and Other Conceptual Issues

When writing undergraduate projects and CRAs / CWAs, students are encouraged to:

- Follow instructions carefully. Failure to follow instructions will reduce the assignment grade.
- Develop thoughts logically.
- Evaluate the author's position and restate it in your own words, not merely repeat the author's position.
- Both agree and disagree with the authors of course materials. Explain why you agree or disagree.
- Avoid using Hebrew, Aramaic, and Greek for most undergraduate CRAs / CWAs and projects.
- Write at a college level, using appropriate vocabulary, grammar, and spelling. Avoid using the second person (you). Avoid generalizations, idioms, and slang.
- Consult reference works, including theological and Bible dictionaries, to accurately define terms.
- Express concepts in your own words as much as possible. Document all quotations, paraphrases, and important ideas that are not your own, even if they are from course materials.
- Identify clearly CRAs, CWAs, and projects on a title page.
- Include a reference list. See Global University's Form and Style Guide: Fifth Edition for documenting sources correctly.

GLOBAL UNIVERSITY LIBRARY

The Global University Library provides research tools that facilitate scholarship for students and faculty members. Reference resources, full-text journal articles, book reviews, article abstracts, e-books, and other online resources, relevant to specific graduate and undergraduate courses, are accessible through the Web site (http://www.globaluniversity.edu) by clicking on the “LIBRARY” button, or go directly to the page using this address: http://library.globaluniversity.edu.

The Global University Library is a collection of resources supporting the curriculum of the programs offered by the institution. The physical library may be utilized by Global University faculty members or by students who are able to come to Springfield. Distance students are served through the online resources. The physical library consists of more than 25,000 volumes, including books, reference materials, periodicals, theses and dissertations, maps, microfiche, and audio and video materials. In addition to the main collection, there is a Curriculum Resource Room containing textbooks and Study Guides for all GU courses.

Course Research Guides (LibGuides) created and developed by the Global University Librarian and faculty members, offer research assistance for undergraduate course projects and CRAs/CWAs, subject guides, and other useful resources compiled by GU faculty and librarians. The Library staff regularly reviews the Course Research Guides for currency and relevancy of listed resources. Feedback is obtained from student Library users through online surveys and feedback forms.

These Library services are available to students:

Reference Support through online-chat, e-mail, and telephone. Translation services through Google Translate allow Library staff to communicate with non-English speaking students in real time.

Document Delivery of book sections or other articles (most often electronically) within U.S. Copyright Code “fair-use” guidelines.

Library Instruction through web-based interactive tutorials. This includes instruction in citation management. Other services include a writing “lab” with links to numerous writing and research guides and tutorials, and manuscript templates for completing Global University written course components. Discounted proprietary citation management software is also available through the Global University Library.

The Global University Library subscribes to the following proprietary databases:

EBSCO eBook Religion Collection is designed to meet the content needs of Global University students and faculty in their studies and research, this collection features 6,000 titles from over 150 trusted publishers. Coverage begins in 1908, with indexing from some journal titles extending back into the nineteenth century. Although the majority of resources in the EBSCO databases are in English, some are published in Spanish, French, German, Italian, Russian, Hindi, Dutch, Chinese, Arabic, and more. The search interface can also be translated into numerous languages.

CREDO Online Reference Service provides full-text online versions of more than 530 published reference works from over 70 publishers covering every major subject, including general and subject dictionaries and encyclopedias.

CITATION MANAGEMENT OPTIONS

A citation manager is a tool which helps you to store, organize and output your citations in the format you prefer. There are many Citation Management tools on the market today. Go to http://libguides.globaluniversity.edu/librarymain/citation or contact the Library for a list of software applications (both free and fee-based) that focus on making your research easier, faster, and perhaps entertaining.
All final exams must be sent directly to an approved exam supervisor whose application is on file. We recommend that the exam be taken no later than one month before the course expires to allow time for a retake if necessary.

**NOTE:** all course work must be submitted before the final exam can be sent.

**EXAM SUPERVISOR APPLICATION FORM**

To request an exam supervisor, choose a proctor who meets all the listed criteria, and have them complete and return the Exam Supervisor Application on page 21 of this packet, or from our Web site at www.globaluniversity.edu/pdf/ExamSupervisorAppl.pdf. You will be notified whether the requested exam supervisor is approved or denied.

**REQUESTING A FINAL EXAM**

To request a final exam on paper using a new exam supervisor, submit both the Final Exam Request Form (page 19 of this packet) and the Exam Supervisor Application Form. To request a final exam on paper using an approved exam supervisor, submit only the Final Exam Request Form, indicating the exam supervisor’s name and assigned ID number. Both forms can also be found on our website; http://globaluniversity.edu, under the “Schools” tab click “Undergraduate School of Bible and Theology,” and under “Documents and Forms” click “other documents and forms.”

Students may not enroll in more than 18 credits concurrently or during any six month period, and may not enroll in more than 36 credits in a calendar year, without the Academic Dean's approval.

TIME LIMIT FOR COMPLETING A COURSE  
When ordering a course please note your course deadline. The time limit for completing an undergraduate course is six (6) months from the date the order is processed by GU. Where circumstances merit, an extension may be granted upon request. Course may not be extended more than one year beyond the original enrollment date. Processing fees are required for course extensions and may be paid by MasterCard, Discover or Visa by calling U.S. Student Services at 1-800-443-1083, option 4, Monday - Friday, from 9:00 a.m. to 6:00 p.m. Central Standard Time. If the course is not completed within one year of the original enrollment date, full tuition will be required to re-enroll in the course. Purchase of new course materials may also be required.

“UPGRADING” OR “DOWNGRADING” A COURSE  
For courses available for both two and three credits, students may choose to withdraw from one and then enroll in the other. However, the student may not be eligible for a full tuition refund when they withdraw (see Cancellation & Refund Policy page 5).

COURSE WORK POLICY  
Students should submit the course project, CRA/CWA (if applicable), and SLR (if applicable) with or before the Final Exam Request form. The final exam will not be shipped to the exam supervisor until all coursework has been submitted to Global University.

FINAL EXAM POLICY  
All exam materials must be returned to Global University within 30 days of shipment from Global and no more than three (3) days after the exam is taken. If the exam materials have not been received in our office on or before the 30-day deadline, the student will automatically be charged a non-refundable late fee, per exam. The due date will be printed on the final exam Scantron form. Also, if the exam booklet itself is not returned with the Scantron form, the student will automatically be billed a fee. This helps to ensure the proper exam was administered. The completed exam must be taken on or before the exam due date or the course expiration date - whichever comes first. Final exams taken after the course expiration date are null and void. Exams taken after the time limit listed on the exam Scantron are null and void.

FINAL EXAM RETAKE POLICY  
- A retake exam may be requested if the course is active, if the final grade for the course is below 73 percent and the student scored less than 73 percent on the final exam (or combined score of less than 73 percent on course with a midcourse and end-of-course exam).
- Math courses (MTH1103, MTH2503, MTH3303) have a midterm and end-of-course exam. However, exam retakes are not offered for the math courses since the study guide can be used during the exams.
- Only one retake exam is permitted per course. The grade received on the retake exam, whether higher or lower than the original grade, is final.
- The student may not take the exam a third time without re-enrolling in the course by paying the full price of tuition.
- Once the retake fee has been paid, contact Grading Services (gradingservices@globaluniversity.edu) or 1-800-443-1083, option 4) requesting the retake exam be shipped to an approved exam supervisor.
- Retake fees must be paid before the retake exam will be shipped.
- Retake the final exam BEFORE the expiration date; retake exams taken after the expiration date are null and void.
- For information on resubmission of course work, see page 7.
**CAPSTONE REQUIREMENT**
The Capstone Requirement is designed to measure your educational growth at the end of the program. While the Capstone Requirement is not a course and you will not receive a grade, all components of the requirement must be submitted before you graduate. Please refer to page 16 for additional information.

**CHANGE OF PROGRAM**
You may change programs by submitting a written request along with the appropriate payment via fax (417) 862-0863 or e-mail degreeaudit@globaluniversity.edu. Requests may also be sent via Global University’s website by submitting a degree audit request - https://www.globaluniversity.edu/undergrad_degree_audit.cfm. The fee for a Change of Program is listed in the Undergraduate Tuition and Fees Schedule on page 5.

**COURSE RESEARCH GUIDES (CRGs)**
Research assistance, subject guides, and useful resources have been compiled by your friendly faculty and librarians to help in writing your course project and CRA papers. Know what we know - find it in our Course Guides! http://libguides.globaluniversity.edu/

**GRAD CHECK**
When you are within 18 credits of graduating you may request a Grad Check. A Grad Check will show the remaining courses you need to complete or it will confirm that all course requirements have been met. To request a Grad Check please fax (417) 862-0863 or e-mail degreeaudit@globaluniversity.edu. Grad Checks may also be requested via Global University’s website by submitting a degree audit request - https://www.globaluniversity.edu/undergrad_degree_audit.cfm.

**ORIGINAL DEGREE AUDIT**
An Original Degree Audit will be completed once all official college/university transcripts have been received. If no transfer of credit is applicable or if you do not submit any transcripts, you may follow the program requirements listed for your program in the current catalog. If you have questions, please email degreeaudit@globaluniversity.edu.

**REQUESTED DEGREE AUDIT**
After an Original Degree Audit has been completed you may request updated degree audits at any time. To request an updated degree audit please fax (417) 862-0863 or e-mail degreeaudit@globaluniversity.edu. You may also request a degree audit via Global University’s website at https://www.globaluniversity.edu/undergrad_degree_audit.cfm. The fee for a Requested Degree Audit is listed in the Undergraduate Tuition and Fees Schedule on page 5.

**SCHOLARLY RESOURCES**
When writing course papers, you are required to include 3–5 scholarly sources in your research. Generally, scholarly refers to original research found in books, magazines, and journals written by professional and credentialed experts. This is not to say that “popular” sources/authors cannot be used; however, such sources must be evaluated and found to be authoritative. You may contact course faculty members for source evaluations, and a tutorial explaining the difference between “popular” and “scholarly” resources can be found on the GU Library Web site. To access the tutorial, go to Research Tools and click on Course Research Guides. Then, click on the course you are taking. Next, click on Information Skills. Finally, choose Popular vs. Scholarly Sources.
ONLINE EXAM INFORMATION

All Global University undergraduate exams are available to take in printed format. Many of our undergraduate course exams are also available to take online. Please see the Online Exam Request Form (http://globaluniversity.edu/onlineexamrequest.cfm) for current availability. To access the Online Final Exam Request Form go to www.globaluniversity.edu, select the SCHOOLS drop down menu and click on “Undergraduate School of Bible and Theology.” Then click the “Documents and Forms” link in the undergraduate menu. You will then see a list of undergraduate forms and documents including the Online Final Exam Request Form as well as the Exam Supervisor Application and other important documents.

- You must have internet access on the computer while taking the online exam.
- You need a computer running Mac or Windows 7 or higher, and using any internet browser (Microsoft Internet Explorer, Safari, Firefox, Chrome, etc.) in its latest version.
- For ParTest 7.0 you DO NOT need to turn off the pop up blocker.

PLEASE NOTE: If these requirements cannot be met, the exam will have to be taken on paper. Both the paper and online exams are closed-book exams, with the exception of the College Algebra, Business Math and Statistics, for which students may use the IST/Study Guide and a calculator. For all other exams, no books, study notes or Bibles are allowed.

SERVICE LEARNING REQUIREMENT (SLR)

All undergraduate courses except BIB4123 New Testament Greek II, BIB4034/4044 Hebrew I & II, BIB4143/4153 Undergraduate Greek I & II, and GSC1121 Experiments in Physical Science require a Service Learning Requirement (SLR). An SLR is an applied learning assignment designed to give you opportunity to take what you have learned in your course and use it in a real-world setting. The objective is to further help you gain mastery of the subject as you move from the course to the community. Ministry skills and practical skills are additional outcomes that will benefit you in reaching your educational goals and equipping you for what the Lord has placed in your heart to do.

Please note that SLRs were added to general education courses in January 2008. With the courses that were previously printed and are still in stock, the SLR is inserted with the course order. If an SLR is not included, or if it was destroyed or lost, this does not excuse a student from completing the SLR assignment. You will need to contact U.S. Student Services at gradingservices@globaluniversity.edu for a copy of the SLR to be sent to you by e-mail, fax, or mail.

Also note the following courses require a slightly different SLR assignment that includes three different evangelism encounters:

**THEOLOGY COURSE:**

For your convenience you may also submit your SLR Report using the online form found at www.globaluniversity.edu. Click Undergraduate School of Bible and Theology on the left sidebar, then click Service Learning Requirement on the left sidebar. Online courses also have SLR Report forms that can be e-mailed or printed.
Some Global University courses are available for either two or three credits. When a course available for either two or three credits is taken for three credits, a CRA is added to the course requirements. For courses available for both two and three credits, students may choose to withdraw from one and then enroll in the other. However, the student may not be eligible for a full tuition refund when they withdraw (see Cancellation & Refund Policy page 5). The following is a list of three-credit courses which require a CRA. ARE YOU READY FOR GRADUATION?

STEPS TO GRADUATION

Step 1  Request a Grad Check (defined on page 13): If you are within 18 credits of completing course requirements for your degree you may request a Grad Check at no charge. You will receive a degree audit showing what courses need to be completed or confirmation that all course requirements have been met. You may request a Grad Check by e-mailing degreeaudit@globaluniversity.edu. Grad Checks may also be requested via Global University’s website by submitting a degree audit request at https://www.globaluniversity.edu/undergrad_degree_audit.cfm.

Step 2  Submit Capstone Requirement: Once you are within nine (9) credits of completing your degree or diploma, you may start working on your Capstone Requirement. You must complete the Capstone Requirement before graduating. The Capstone Requirement is designed to measure a student's progress at the end of the program. It is not a course and students will not receive a grade. However, all required components must be submitted in order for the student to graduate. Please review the chart below to see what is required for students enrolled in a certificate, diploma, Associate of Arts, or Bachelor of Arts degree:
