CANCELLATION AND REFUND POLICY FOR UNDERGRADUATE COURSES

Global University strives to develop instructional materials and programs that will be completely satisfactory to the students who enroll with us. However, if it is necessary for you to discontinue studying a Global University course, the following refund policy will apply:

1. You may cancel your enrollment within five (5) business days after midnight of the day on which you signed the enrollment agreement (Subject Enrollment Card or order form). If you cancel your enrollment during this time, you will be given a complete refund of all money paid, excluding shipping & handling fees.
2. From five (5) business days after midnight of the day on which you signed the SEC or order form and until nine (9) months from the day on which you signed the SEC or order form, Global University will retain a registration fee (converted to local currency) of \$75 or 20% of the total paid, whichever is greater. You may withdraw from the course as long as course status is "In Progress."
3. If you request cancellation after two months of your dated SEC or order form, Global University shall be entitled to the registration fee plus a percentage of the total cost of the course. The percentage will be calculated as follows:
The registration fee will be deducted from the total cost of the course. Then, in addition to the registration fee, Global University will retain a percentage of any amount that remains. The percentage retained will depend on how much of the course you have completed. Therefore:
 - a) Up to and including the completion of the first 10% of the course, the student will be refunded 90% of any remainder.
 - b) If only one (1) written assignment for a 3-credit course (between 10% and 25% of the course requirements) has been submitted, the student will be refunded 75% of the remainder.
 - c) If one (1) assignment for a 2-credit course or two (2) assignments for a 3-credit course (between 25% and 50% of the course) have been submitted, the student will be refunded 50% of the remainder.
 - d) If more than one (1) assignment for a 2-credit course and more than two (2) assignments for a 3-credit course (more than 50% of the course) have been submitted, GU shall be entitled to the full cost of the course.
4. If you request cancellation after 9 months, no refunds will be given. You may withdraw from the course as long as the course status is "In Progress."
5. Refunds will only be given on materials that are in resalable condition, and will be subject to a 20% restocking fee.

I understand and agree to the above stated Cancellation and Refund Policy.
