GRADUATE CERTIFICATE REQUIREMENTS

Graduate Studies Certificate Programs for Students with a Master of Arts Degree—18 Credits

Global University’s Graduate Studies certificate programs require students to complete 18 credits of 3-credit courses. Students may choose courses based on the certificate discipline. All courses required for Graduate Studies certificate programs are available for enrollment in graduate degree programs and have the same academic requirements for both certificate and degree programs. A Graduate Studies certificate is not a degree nor a certification. It is the responsibility of the student to verify the applicability of Global University’s credits toward his or her academic and professional goals. Certificate-specific course options are listed for each certificate program.

Graduate Studies Certificate Program Overview

A student who has earned a Master of Arts or higher degree from Global University or another accredited or recognized institution may earn a discipline-specific Graduate Studies certificate by completing a maximum of 18 additional graduate-level credits in a specific field of study. A student who has earned a bachelor’s degree from an accredited institution may request special permission from the Dean to pursue a Graduate Studies Certificate.

Each certificate program consists of a focused collection of graduate-level courses that, when completed, affords the student a record of academic accomplishment in a given discipline and/or specialized knowledge in a subject area.

Credit Requirements for Graduate Studies Certificate Programs

A maximum of 18 discipline-specific graduate credits are required for each Global University Graduate Studies Certificate program. A student may complete multiple graduate certificate programs, but a minimum of 12 credits must be completed with Global University for each certificate earned. In no case will a student who has not earned a baccalaureate-level degree from an accredited institution be allowed to complete a graduate certificate program.
Application of Credit for Graduate Studies Certificate Programs

A student who has completed a Graduate Studies Certificate program and then applies for admission to a Master of Arts, Master of Divinity, or Doctor of Ministry degree program may receive credit as follows:

1. Graduate credits completed with Global University for a Graduate Studies Certificate may be applied to other graduate degree programs with Global University (subject to compatibility with the requirements for the specific degree program).

2. Transfer of credit applied to a certificate may also be applied toward a Master of Arts, Master of Divinity, or Doctor of Ministry program (subject to compatibility with the requirements for the specific degree program).

3. Regardless of prior degrees or credits earned, waived, and/or transferred, a student must complete a minimum of 9 additional credits with Global University for a Master of Arts degree, 24 additional credits for a Master of Divinity degree, 27 additional credits for a Doctor of Ministry degree, and 6 additional credits for a Graduate Studies Certificate after being admitted to the respective degree or certificate program.

See sections for “Procedures for Admission to the Graduate School of Theology,” “Time Limits for Graduate (Post-Baccalaureate) Studies,” and “Transfer of Credit from Other Institutions.”
