Doctor of Ministry Subsequent to a Master of Arts or Higher Degree

A student who has fulfilled all requirements for and been granted full admission to a Doctor of Ministry degree program will be allowed to enroll in courses for the 30-credit Doctor of Ministry degree. See the section on "Full Admission to the Graduate School of Theology."

A student who has earned a Master of Arts or equivalent degree comparable to that offered by Global University, but who has not previously earned a degree comparable to the 78-credit Master of Divinity degree offered by Global University, may be granted provisional admission as a doctor of ministry student.

A student who has been granted provisional admission must satisfy the course requirements for the Master of Divinity degree, as offered by Global University, prior to being granted full admission and allowed to enroll in courses for the 30-credit Doctor of Ministry degree. The exact number of credits required and the focus of the courses to be completed will be determined by the Director of Doctoral Studies according to procedures and course evaluation criteria established by Global University. These requirements will be presented to the student in an individualized Learning Contract.

A doctoral student who has been granted provisional admission will be allowed to enroll in pre-doctoral graduate courses indicated in the individualized learning contract prepared for the student. See the sections on “Provisional Admission to the Graduate School of Theology” and “Doctor of Ministry Prerequisites and Credit Deficiencies.”
