UNDERGRADUATE DEGREE PROGRAMS OF STUDY

Qualified faculty develop Global University Independent-Study Textbooks in cooperation with the university's instructional development staff. Learning and teaching principles derived from educational research are incorporated into the design of Global University instructional materials. More than eighty-five undergraduate courses are now available for study. The Global University curriculum is under constant evaluation. Revisions and additions will be made in keeping with the goal of providing the best possible learning experience for Global University students.

Definition of *Course* and *Subject*

Global University uses the terms *course* and *subject* interchangeably. For example, BIB 3013 *Genesis* is a three-credit degree program course or subject. Courses (subjects) are the fundamental units of the curriculum. Satisfactory completion of a program is recognized by the awarding of certain certificates, diplomas, or degrees.

Although Global University does not use a standard semester for enrollment, for international transfer its credits are considered semester credit hours. In a traditional semester system, a 3-credit course would require three 1-hour lectures per week for at least fifteen weeks. A full-time study program would be equivalent to 15–18 credits per semester. For United States VA students desiring full-time status, a minimum of 18 credit hours per six months is required.

Course Sequences and Prerequisites

The recommended sequence for taking undergraduate courses is provided with each degree program on the following pages. It is highly recommended that students follow the suggested sequence. If a course has a prerequisite, a notation is made in the course description section of this catalog. For example, BIB 4143 *Undergraduate Greek I* must be taken before BIB 4153 *Undergraduate Greek II*.

Numbering System for Undergraduate Program Courses

A key to the interpretation of course numbers follows. The course numbers should be used with the subject names on all order forms, subject enrollment forms (SEFs), and other academic records.

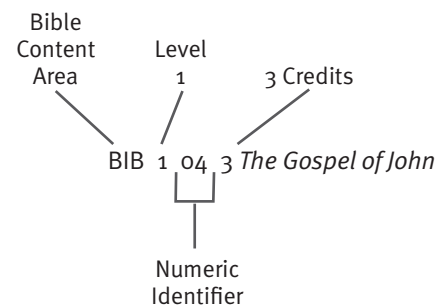

1. The first three letters indicate the academic content area of the course.

BIB	=	Bible
THE	=	Theology
MIN	=	Church Ministries
MIS	=	Missions/Intercultural Studies
BUS	=	Business
COM	=	Communications
CSC	=	Computer Science
EDU	=	Education
ENG	=	English
GSC	=	General Science
HIS	=	History
HSC	=	Health Science
LDR	=	Leadership and Management
LIT	=	Literature
MTH	=	Mathematics
MUS	=	Music
PHL	=	Philosophy and Ethics
PSY	=	Psychology
REL	=	Religion
SOC	=	Sociology
SPN	=	Spanish

2. The first digit indicates the level of the course.
3. The second and third digits serve as numerical identifiers.
4. The final digit indicates the credit value.

An example is BIB 1043 *The Gospel of John*:

- The letters BIB identify the course as part of the Bible content area.
- The first digit (1) indicates the course is in the first level.
- The final digit (3) indicates this course is valued at three credit hours.

THREE-YEAR BACHELOR OF ARTS DEGREE PROGRAMS

(For students in a qualifying international education system)

The typical North American high school curriculum prepares college-bound students for a four-year bachelor's degree program. However, many international school systems prepare qualified high-school students for the three-year bachelor's degree program. For this reason, Global University offers three 3-year bachelor of arts programs through national offices: Bible and Theology, Christian Education, and Intercultural Studies. The student should contact his or her national office to find out if the three-year program is offered in his or her country.

To be accepted into one of these three-year bachelor's programs, the student must (a) complete the application process, (b) have graduated from a qualifying international educational system that endorses the three-year bachelor's degree program, and (c) have "A"-level certificates or the equivalent.

The curricula for the 96-credit, three-year bachelor of arts degrees are given below. A minimum of 32 credits earned through Global University courses is required, 15 of which must be in the student's major.

SECOND BACHELOR OF ARTS DEGREE PROGRAMS

Students who have already completed an undergraduate degree may enroll with Global University to study for a second bachelor of arts degree. Please note the admission requirements for this program stated in the Undergraduate Program “Objectives and Design” section.

Global University assumes the previous major will normally have been in a field unrelated to Christian ministry. A total of 50 credits is required with a minimum of 32 credits earned through Global University courses, 15 of which must be in the student’s major. Transcripts being evaluated for possible transfer of credit into a second BA program must be received in the Registrar’s Office before the student enrolls in his or her first Global University course.
