**Note:** This program requires students to complete a Bible and Theology Pretest and Posttest. The pretest must be completed before students request the final exam for their first course. The posttest is a part of the undergraduate capstone requirement. It is recommended that students begin working on the essay and verbal components of their capstone within six months of graduating. The posttest and graduation follow-up survey should be completed during their last course. All four capstone components must be submitted before requesting the final exam for their last course. There is no cost for these assessments.
